

## 4th St. & Birch St. Partial Intersection Closure Extension

OC Streetcar crews will continue working at the 4th Street and Birch Street intersection to complete a waterline connection. **To accommodate this work, the east side of the 4th Street and Birch Street intersection will be closed again on April 12.** The closure will be in effect from 7 a.m. to 4 p.m.

The schedule is subject to change due to inclement weather or unforeseen operational issues. Work activities are weather dependent. If a rain event occurs on the anticipated start date, the closures will be delayed until the weather clears. This work may be loud.

A map of the closures is below.
