

## Construction Alert

### Week of July 31, 2023

#### Construction Highlights:

- Track installation completion activities in Segment 1. Work requires night construction activities along the Pacific Electric Right-of-Way between Westminster Avenue and 5th Street. Learn more [here](#). Night work is scheduled on the following dates:
  - Tuesday, August 1, at 9 p.m. and will finish Wednesday morning
  - Wednesday, August 2, at 9 p.m. and will finish Thursday morning
  - Thursday, August 3, at 9p.m. and will finish Friday morning
- Platform installation in Segment 2. Work requires eastbound lane closures on Santa Ana Boulevard from Pacific Avenue to Bristol Street. Detours are available. Learn more [here](#).
- Platform installation in Segment 3 along Santa Ana Boulevard at Sycamore Street and at French Street. Temporary lane and parking restrictions will be required along the segment.
- Traffic signal installation at the Santa Ana Boulevard and Main Street intersection. Work requires a full intersection closure. Learn more [here](#).
- Platform installation and sidewalk improvements along Segment 4.
- Track installation in Segment 5. Work requires the below traffic controls to be in effect. Learn more [here](#).
  - Closure of the north side of Santa Ana Boulevard from Minter Street to Poinsettia Street. Eastbound traffic is shifted to the south side of the street. Westbound traffic is detoured.
  - Partial closure at the Santiago Street and Santa Ana Boulevard intersection. Eastbound traffic is permitted through the intersection. Westbound traffic is detoured. Access to the Santa Regional Transportation Center from westbound Santa Ana Boulevard is maintained via a temporary left-hand turn to the station parking lot, right before the Santiago Street intersection.
  - Partial intersection closure at Lacy Street and Garfield Street.
  - Full closure of Santa Ana Boulevard from French Street to Minter Street.
  - Full closure of 6th Street between French Street and Mortimer Street.
- Sidewalk and gutter construction at the exit driveway from the Santa Ana Regional Transportation Center parking garage to Santiago Street. Work requires a partial driveway closure and a temporary exit area. Learn more [here](#).

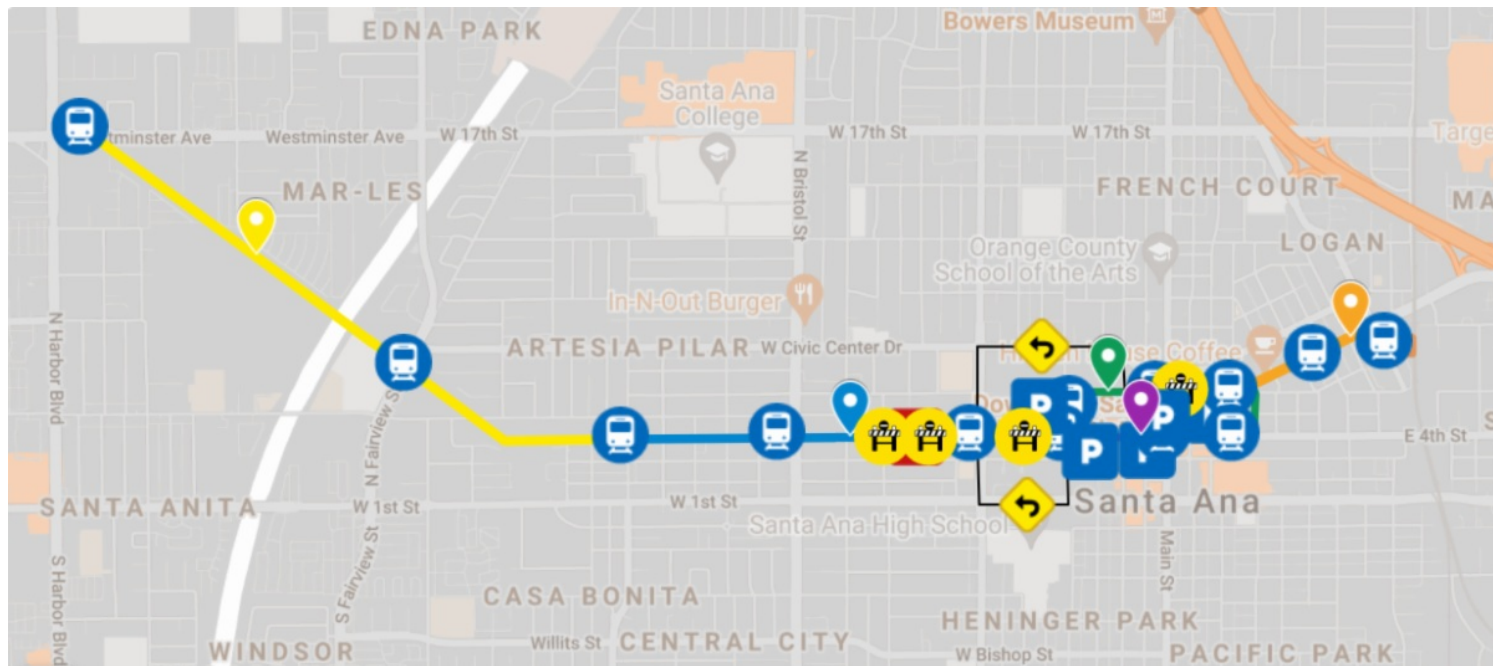

*Access will be maintained for all residents and businesses. Construction activities are dependent on weather and resource availability.*

For information on how to process a construction-related, personal or property damage claim, please contact Tresa Oliveri at (714) 560-5374 or [ocstreetcar@octa.net](mailto:ocstreetcar@octa.net). She will provide information for the next steps in the process to file a claim with Walsh Construction.

## Pedestrian Access

Pedestrian access along 4th Street has reopened, please follow signage to stay in pedestrian safe zones.

OCTA's Eat Shop Play program supports businesses located along the future OC streetcar route. Benefits to customers include special deals, invitations to community events and free parking for the first hour in nearby structures. Learn more at [octa.net/eatshopplay](http://octa.net/eatshopplay).

### About the Project

OC Streetcar is the first modern streetcar project to be built in Orange County and will serve Santa Ana's historic and thriving downtown, which includes federal, state and local courthouses, government offices, colleges, an artists' village and a thriving restaurant scene. It will operate along a 4.15-mile route that connects the Santa Ana Regional Transportation Center (SARTC) and a new transit hub at Harbor Boulevard and Westminster Avenue in Garden Grove.
