

Construction Alert Week of January 29, 2024

Construction Highlights:

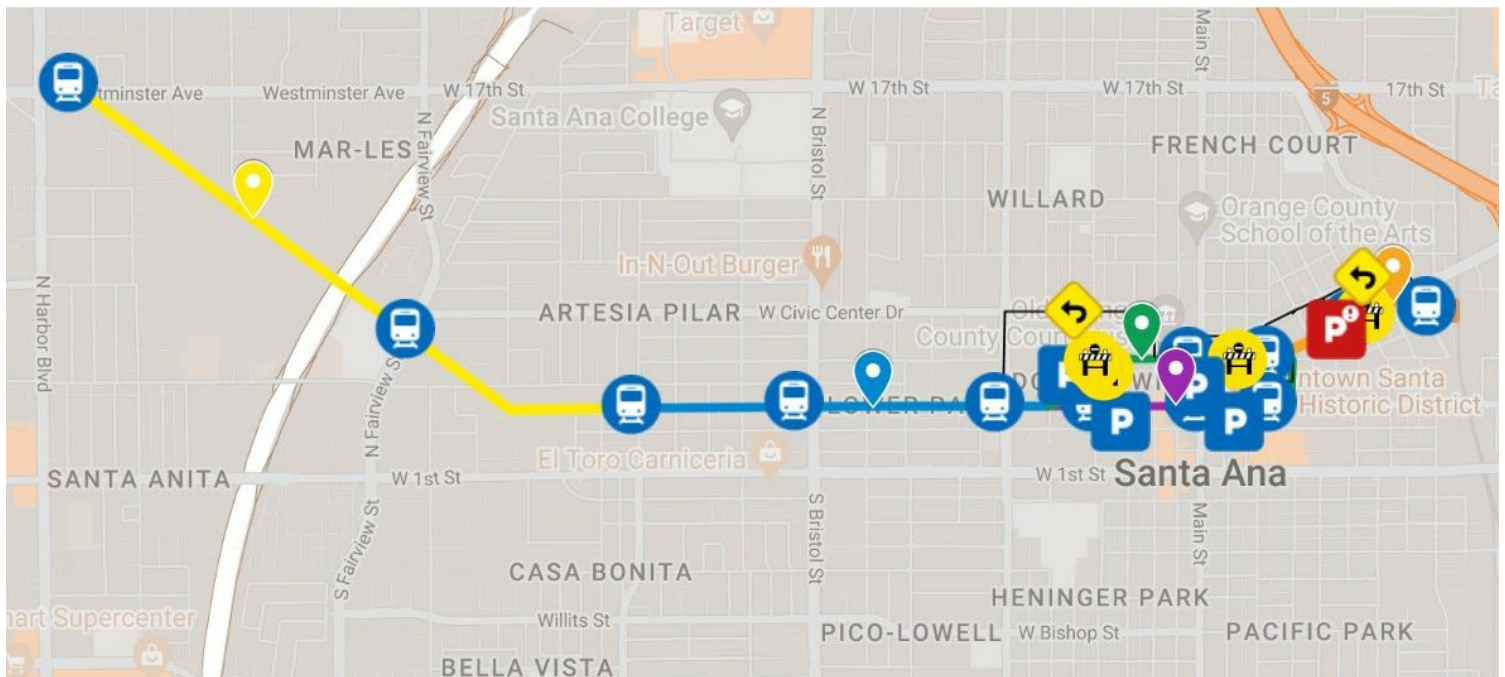

- Platform construction in Segment 3 along Santa Ana Boulevard at Sycamore Street and at French Street. Temporary lane and parking restrictions are required along the segment.
- Platform construction and sidewalk improvements along Segment 4.
- Platform construction along Segment 5. Work requires the Santa Ana Boulevard westbound lane between Mortimer Street and Poinsettia Street to be closed.

Access will be maintained for all residents and businesses. Construction activities are dependent on weather and resource availability.

For information on how to process a construction-related, personal or property damage claim, please contact Tresa Oliveri at (714) 560-5374 or ocstreetcar@octa.net. She will provide information for the next steps in the process to file a claim with Walsh Construction.

Parking in Downtown Santa Ana

construction is active. Several parking structures are available throughout the downtown area that offer free parking Monday through Friday, from 7 a.m. to 5 p.m. The first 2 hours of parking are free evenings and weekends:

- 310 N Birch Street
- 253 E 3rd Street
- 420 N Main Street
- 300 E 5th Street

The entrances to parking structures are accessible from 5th Street and 3rd Street.

Eat, Shop, Play

OCTA's Eat Shop Play program supports businesses located along the future OC streetcar route. Benefits to customers include special deals, invitations to community events and free parking for the first hour in nearby structures. Learn more at octa.net/eatshopplay.

About the Project

OC Streetcar is the first modern streetcar project to be built in Orange County and will serve Santa Ana's historic and thriving downtown, which includes federal, state and local courthouses, government offices, colleges, an artists' village and a thriving restaurant scene. It will operate along a 4.15-mile route that connects the Santa Ana Regional Transportation Center (SARTC) and a new transit hub at Harbor Boulevard and Westminster Avenue in Garden Grove.

Help OCTA design a walking and biking trail for your community!

Orange County Transportation Authority (OCTA), in cooperation with the cities of Garden Grove and Santa Ana, the California Department of Transportation (Caltrans), and the County of Orange, is advancing the OC Connect trail project. The project creates a 4-mile biking and walking trail connection between the downtown areas of Garden Grove and Santa Ana as well as to the Santa Ana River Trail and the countywide 66-mile bikeway - OC Loop. This project will improve the transportation network along the corridor and provide a safe, well-connected active transportation route. Sign-up to receive project updates!
