## Project Benefits

## What to Expect - First Six Months:

- Close Kraemer Boulevard between Chapman Avenue and Orangethorpe Avenue
- Begin storm drain installation
- Relocate utilities
- Shoring and excavation
- Begin retaining wall construction

## Construction Safety

- Slow down and watch for workers and equipment
- Allow extra time to get to work, school, appointments
- Be extra careful when driving at night and in rainy weather
- Avoid use of mobile phones or other distractions
- Watch for closures and follow detours
- Be patient. Remember that this is a short-term inconvenience for a long-term traffic solution
