## SR-91 Westbound and Eastbound Lane Widening Project

### Neighborhood Information Table

We invite you to stop by our neighborhood information tables to learn about the SR-91 Westbound and Eastbound Lane Widening Project and scheduled work on the new soundwall. As part of the project, the California Department of Transportation (Caltrans) and the Orange County Transportation Authority (OCTA) will add a new six-mile lane in each direction between SR-241 and SR-55 – delivering a better drive through Anaheim and Yorba Linda.

We are excited to begin moving forward on this vital freeway improvement project and remain committed to keeping you informed. Please stop by our information table and learn more about the upcoming soundwall work.
