Upcoming Work Activities

The left lane of La Paz Road will be closed nightly from Sunday - Friday (July 14-19) from 11pm - 5am for demolition of the center median and repaving with temporary asphalt. This will allow for continued access throughout construction along La Paz Rd.

Crews will also continue **Placement of temporary concrete barriers (k-rail)** which requires intermittent closures of the carpool, left two lanes and right lane between Oso Pkwy. and Alicia Pkwy. **Clearing and grubbing** will continue throughout the project area to, with the main focus on the La Paz Rd Interchange.

NB La Paz Rd on-ramp closures will require a detour along Muirlands Blvd. This closure will provide a safety barrier for motorists and our crews as they continue clearing and grubbing activities adjacent to the on-ramps. All detours are depicted as red arrows in the map to the right.
