Upcoming Work Activities

The left lane of eastbound and westbound La Paz Road will be closed nightly from Monday - Friday (July 22-26) from 11pm - 5am. These lane closures are required as crews begin to remove the center median and install temporary pavement.

This week, crews will be **removing overhead signs and the center median**, which requires intermittent closures of the carpool and left two lanes in the northbound and southbound direction between Oso Pkwy. and Alicia Pkwy.

Also, **clearing and grubbing** activities will continue throughout the project area. This work will require an overnight closure of the northbound La Paz Rd off-ramp from midnight to 5 am, Monday - Friday (July 22-26).
