

OCSTREETCAR

Activity Book

Let's learn about construction safety!

This book belongs to:

NAME

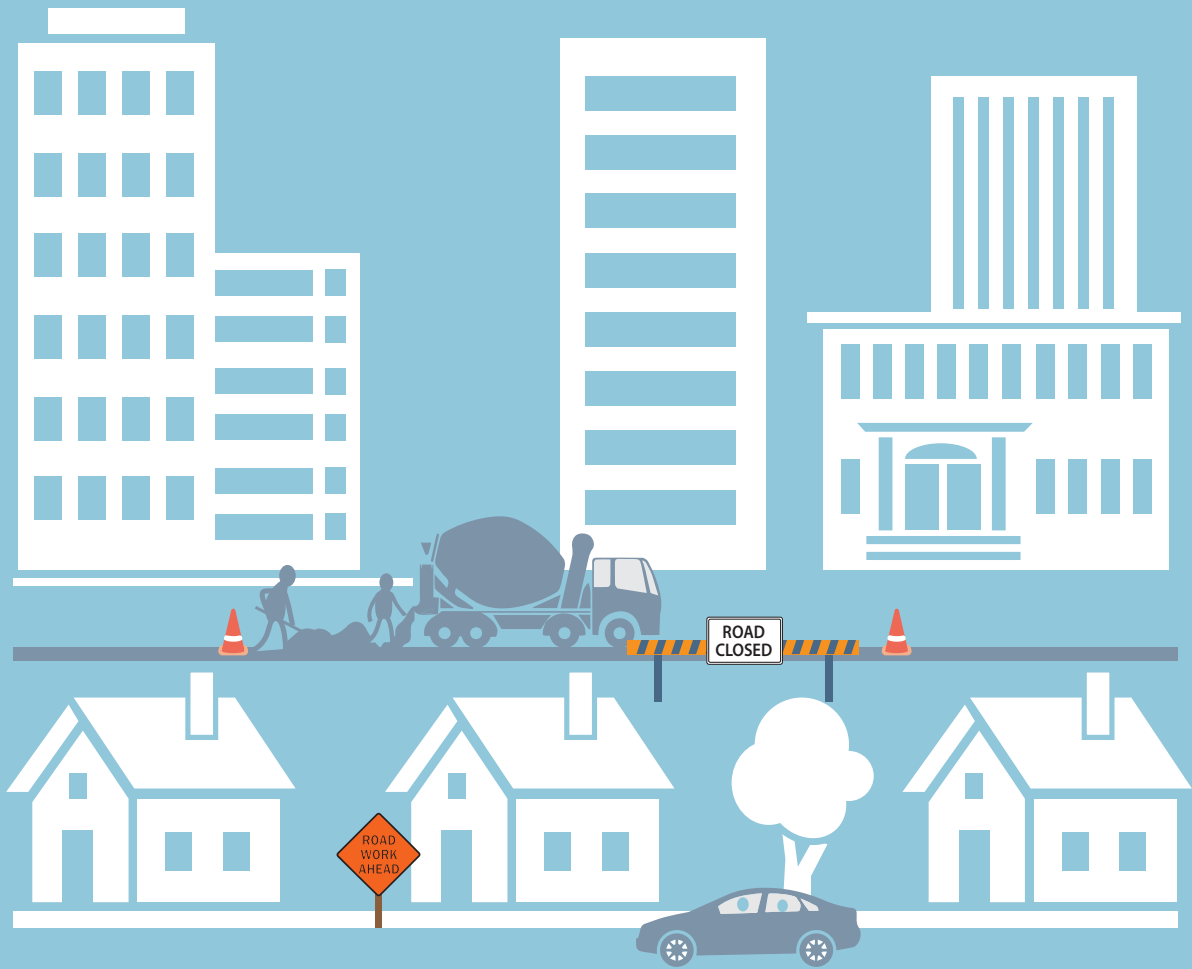

SCHOOL

The image shows a book label template. It has a top section with orange and white diagonal stripes. Below this is a solid orange header containing the text "This book belongs to:". Underneath the header is a white area with two horizontal lines. The first line is followed by the word "NAME" and the second line is followed by the word "SCHOOL". The label is decorated with two circular fasteners at the top corners and two rectangular feet at the bottom corners.

Hi, my name is **Safety Sam!**
I'm here to teach you how to be safe near OC Streetcar construction.

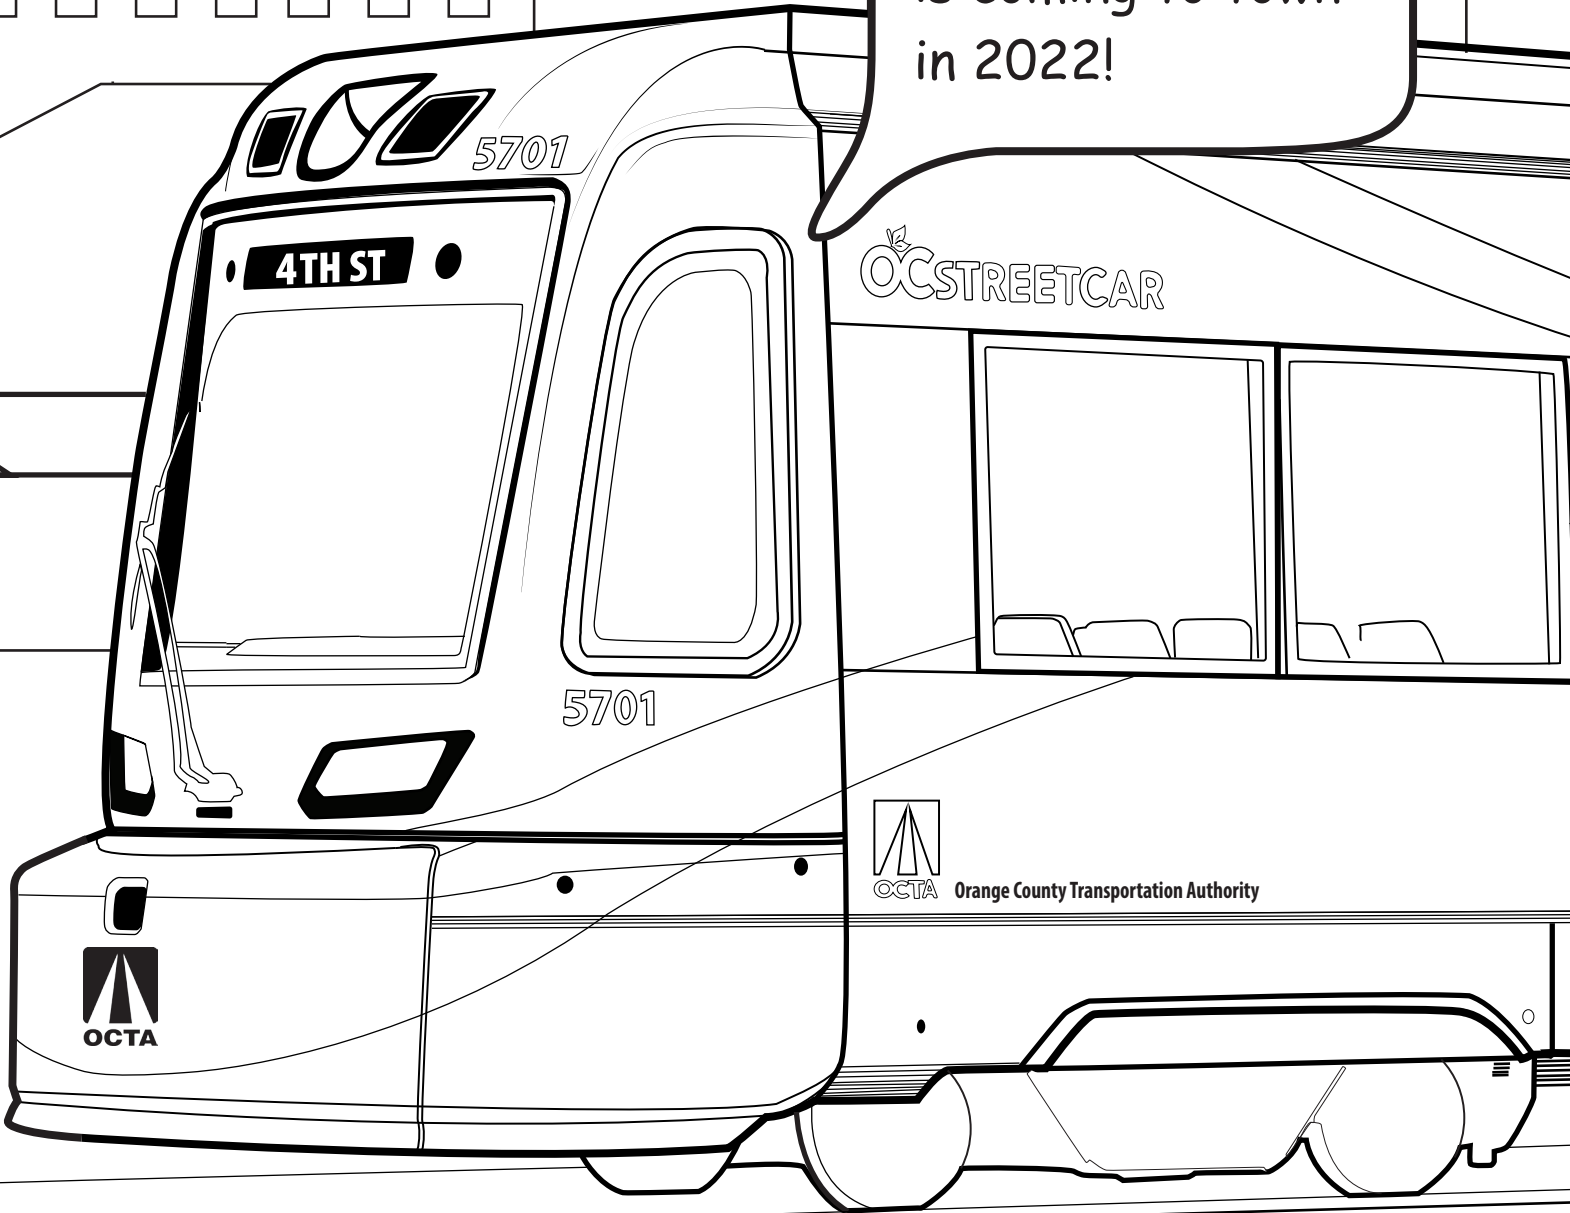

If you see workers building the OC Streetcar in your town, be careful when passing these areas!

The OC Streetcar is a form of public transportation that will carry people around Santa Ana and Garden Grove. The streetcar will run on tracks - like a train or trolley - next to cars on the street.

the OC Streetcar!

The OC Streetcar
is coming to town
in 2022!

Turn the pages and play
games to learn about how
to stay safe.

Stay away from construction zones and never enter areas that are blocked off. When in doubt, find another way around the area away from construction.

Plan extra time in case of delays.

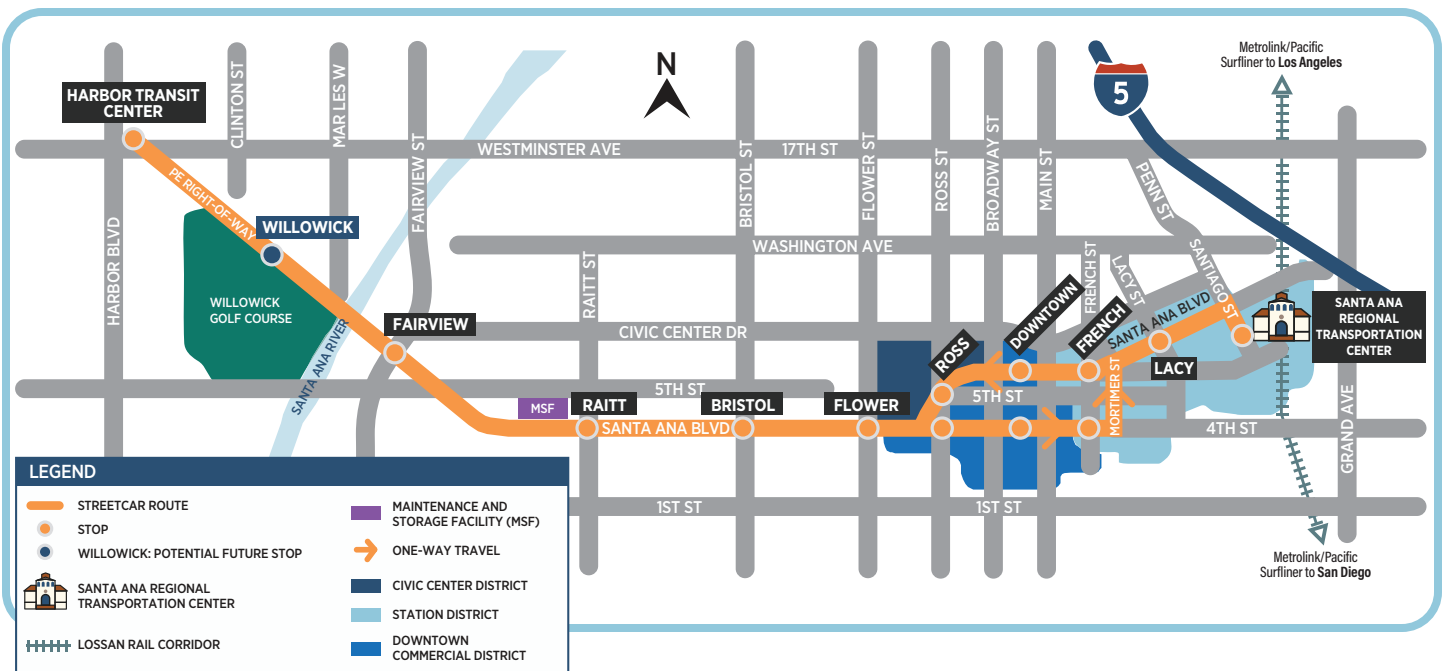

Always use crosswalks and look both ways when crossing the street.

machines

Safety Sam was walking home from school when he saw a _____ area for the OC Streetcar. Sam read a sign that said, “_____.” He crossed the street to avoid the work area. While passing, he saw construction workers using _____ and noticed their safety gear and _____. Sam kept walking and turned onto 4th Street. Passing by restaurants and stores, he noticed another construction area. He saw a sign in his path that read, “_____.” A _____ helped Sam find a way safely _____ the construction by using a _____ to cross the street away from the work. Sam walked on, turning onto his street and making it safely home.
