Improving safety Removing delays

# RAYMOND AVENUE UNDERCROSSING

## ACACIA AVENUE SEVEN-DAY CLOSURE AND DETOUR

### STARTING ON OR ABOUT JUNE 9, 2015

### CITY OF FULLERTON

#### AT A GLANCE

**PROJECT COST (RAYMOND):** \$112 million

**CONSTRUCTION START:** Mid-2014

**CORRIDOR CITIES:** Anaheim, Fullerton and Placentia

**WEBSITE:** [www.ocbridges.com](http://www.ocbridges.com)

**HELPLINE:** 1-877-OCTA-999

**FACEBOOK:** [facebook.com/ocbridges](https://facebook.com/ocbridges)

**TWITTER:** [twitter.com/ocbridges](https://twitter.com/ocbridges)

The City of Fullerton and the Orange County Transportation Authority (OCTA) are progressing with construction of the Raymond Avenue undercrossing in Fullerton. Once complete, the bridge will separate vehicle traffic from train traffic by lowering the roadway beneath the railroad crossing, enhancing safety and boosting mobility.

As part of the Raymond Avenue undercrossing, installation of a temporary bypass railroad track along the BNSF Railway will require a full seven-day closure of Acacia Avenue just south of Walnut Avenue in Fullerton. This closure is scheduled to begin at **5 am June 9 through 5 am June 16, 2015**. Please refer to the posted changeable message signs for the latest information on the closure dates.

Please refer to the map on the back of this notice for the designated detour route during this closure. **Residential and business access will be maintained.**

In addition, a full closure at Valencia Drive just east of Raymond Avenue began in May 2015 and will be in place for approximately 18 months. We apologize for any inconvenience these activities may cause.

Drivers and pedestrians are asked to use caution when traveling through the area. The Orange County Transportation Authority's highest priority is safety for its project workers and the public. During construction, please:

- Slow down and watch for workers and equipment
- Allow extra time to get to work, school and appointments
- Be extra careful when driving at night and in rainy weather
- Avoid use of mobile phones or other distractions
- Watch for closures and follow detours
- Be patient. Remember that this is a short-term inconvenience for a long-term traffic solution.

If you are interested in the progress of this project, please visit [ocbridges.com](http://ocbridges.com) and register for construction notifications.

The OC Bridges Program is partially funded by Measure M, Orange County's half-cent sales tax for transportation improvements.

# SEVEN-DAY ACACIA AVENUE CLOSURE AND DETOUR

## DETOUR:

Orangethorpe Avenue, Raymond Avenue and Commonwealth Avenue to reconnect with Acacia Avenue.

## LEGEND:

-  ROAD CLOSURES
-  MOTORIST DETOUR
-  BRIDGE CONSTRUCTION

*Please note full closures at State College Boulevard at the BNSF Railway through spring 2018 and Valencia Drive east of Raymond Avenue through fall 2016. To avoid delays, please plan your commute.*
