

February 10, 2012

The Orange County Transportation Authority has begun construction of the Placentia Avenue undercrossing. Although regular work hours are Monday through Saturday, 7 a.m. to 8 p.m., there are limited times when night work will be necessary.

Placentia Avenue Undercrossing

- Contractor continuing soldier pile wall preparation work within the BNSF corridor with drilling and setting beams
- Survey, pothole and install sewer line north of BNSF tracks within the rail right of way
- Verification/potholing of various utilities continues
- Modifications to traffic signage ongoing

Kraemer Boulevard Undercrossing

- Tree removal continues along BNSF property and Kraemer Boulevard
- Site surveys to begin along Lancaster and Rutherford. Contractor will photograph backyards to establish current conditions. Residents will receive notifications by project staff.
- Modifications to traffic signaling and signage ongoing
- Verifying existing utilities by potholing and surveying

If you have any questions about this notification or other project issues, please contact:

Tresa Oliveri, Outreach Project Manager, (714) 560-5374 or toliveri@octa.net or see below for additional options to “Get Connected/Stay Connected.”

To sign up for bi-weekly construction notifications, please visit the OC Bridges website: www.ocbridges.com

Job Safety is OCTA’s Top Priority

- Slow down and watch for workers and equipment
- Allow extra time to get to work, school and appointments
- Be extra careful when driving at night and in rainy weather
- Avoid use of mobile phones or other distractions
- Watch for closures and follow detours
- Be patient. Remember that this is a short-term inconvenience for a long-term solution.
