

March 9, 2012

The Orange County Transportation Authority has begun construction of the Placentia Avenue undercrossing. Although regular work hours are Monday through Saturday, 7 a.m. to 8 p.m., there are limited times when night work will be necessary.

Placentia Avenue Undercrossing

- Contractor continuing soldier pile wall work within the BNSF corridor with drilling and setting beams
- Night work for soldier pile wall to begin late Sunday evening of March 19 and to continue for three weeks. Residents notified March 9.
- Survey, pothole and install sewer line north of BNSF tracks.
- Verification/potholing of various utilities continues
- Sewer work in Crowther to begin March 12
- BNSF relocating communication line within BNSF ROW

Kraemer Boulevard Undercrossing

- Demo existing sidewalk curb and gutter
- Property wall removal to continue on SE quadrant (Lancaster & Radcliffe). Sound blanket installation to begin next week.
- Property wall removal to begin on SW quadrant (Cardinal & Pheasant) to begin next week. Residents will receive 48-hour notification.
- Grading for continuous railroad shoofly (detour) along BNSF began March 5 and will be ongoing
- Water bypass at Radcliffe Avenue to begin March 12

If you have any questions about this notification or other project issues, please contact:

Tresa Oliveri, Outreach Project Manager, (714) 560-5374 or toliveri@octa.net or see below for additional options to “Get Connected/Stay Connected.”

To sign up for bi-weekly construction notifications, please visit the OC Bridges website: www.ocbridges.com

Job Safety is OCTA's Top Priority

- Slow down and watch for workers and equipment
- Allow extra time to get to work, school and appointments
- Be extra careful when driving at night and in rainy weather
- Avoid use of mobile phones or other distractions
- Watch for closures and follow detours
- Be patient. Remember that this is a short-term inconvenience for a long-term solution.
