

April 6, 2012

The Orange County Transportation Authority has begun construction of the Placentia Avenue undercrossing. Although regular work hours are Monday through Saturday, 7 a.m. to 8 p.m., there are limited times when night work will be necessary.

Placentia Avenue Undercrossing

- Contractor continuing soldier pile wall work within the BNSF corridor with drilling, setting beams and placing concrete
- Night work for soldier pile wall began and will continue for several additional weeks
- Survey, pothole and install sewer line north of BNSF tracks
- Sewer work in Crowther continues through April
- Preliminary Storm Drain Protection Structure began
- Construction of temporary shoring wall at shoofly, west of Placentia, beginning
- Setting concrete wall panels at north retaining wall west of Placentia

Kraemer Boulevard Undercrossing

- Property wall removal continues on SE quadrant (Lancaster & Rutherford). Sound blanket installation in progress.
- Property wall removal and sound blanket installation on SW quadrant (Cardinal & Pheasant) resumed.
- Grading for continuous railroad shoofly (detour) along BNSF is ongoing
- Intersection restriping at Kraemer Boulevard and Chapman Avenue in progress
- Excavation and Installation of temporary shoring for Retaining Wall #1 is scheduled to begin next week

If you have any questions about this notification or other project issues, please contact:

Tresa Oliveri, Outreach Project Manager, (714) 560-5374 or toliveri@octa.net or see below for additional options to “Get Connected/Stay Connected.”

To sign up for bi-weekly construction notifications, please visit the OC Bridges website: www.ocbridges.com

Job Safety is OCTA’s Top Priority

- Slow down and watch for workers and equipment
- Allow extra time to get to work, school and appointments
- Be extra careful when driving at night and in rainy weather
- Avoid use of mobile phones or other distractions
- Watch for closures and follow detours
- Be patient. Remember that this is a short-term inconvenience for a long-term solution.
