

September 26, 2012

The Orange County Transportation Authority has begun construction of the Placentia Avenue and Kraemer Boulevard undercrossings. In accordance with federal railroad safety regulations, residents should expect to hear an increase in the frequency of train horns because of construction activities on and around the railroad tracks, regardless of quiet zone designation.

Regular work hours are Monday through Saturday, 7 a.m. to 8 p.m.

The following construction activities are anticipated to begin during the next two weeks:

Placentia Avenue

- Install shoring for construction for bridge, pump station, and retaining wall
- Install hand railing on various retaining walls
- Install temporary waterline along west side of Placentia Avenue
- Install electrical conduits/wiring; install cabinets/controllers; set signal pole foundations; erect signal poles at Crowther Avenue and Placentia Avenue intersection

Kraemer Boulevard

- Complete removing the earthen berm adjacent to the Placentia Lakes property
- Begin placement of footing at retaining wall 1
- Installation of sound blankets at Placentia Lakes property
- Start placement of temporary shoring for bridge construction

If you have any questions about this notification or other project issues, please contact:

Tresa Oliveri, Outreach Project Manager, (714) 560-5374 or toliveri@octa.net or see below for additional options to “Get Connected/Stay Connected.”

Job Safety is OCTA’s Top Priority

- Slow down and watch for workers and equipment
- Allow extra time to get to work, school and appointments
- Be extra careful when driving at night and in rainy weather
- Avoid use of mobile phones or other distractions
- Watch for closures and follow detours
- Be patient. Remember that this is a short-term inconvenience for a long-term solution.
