

# LAKEVIEW AVENUE OVERCROSSING

## ORANGETHORPE AVENUE NIGHTTIME FULL CLOSURES

### APRIL 6 AND APRIL 7, 2017

### Nighttime Full Closures of Orangethorpe Avenue:

The Lakeview Avenue Overcrossing project will require nighttime full closures of Orangethorpe Avenue near the Lakeview Avenue intersection. The closures are planned each night on or about **Thursday, April 6 and Friday, April 7 from 9 pm to 6 am the following morning**. The closures will allow crews to safely pave the roadway for the opening of the new bridge, over Orangethorpe Avenue, planned for June 2017. During these closures, access to the Cobblestone Village Commercial Center will be available using Highland Avenue. As an alternate route, eastbound and westbound Orangethorpe Avenue motorists can use Highland Avenue, Orchard Drive, Lakeview Avenue and the new connector road to reconnect with Orangethorpe Avenue. See the detour map below. The roadway closure dates are subject to change, based on weather and other operational factors.

The Orange County Transportation Authority apologizes for any inconvenience these closures may cause. If you have any questions, please contact Tresa Oliveri, OC Bridges Outreach Manager, at **714-560-5374** or [toliveri@octa.net](mailto:toliveri@octa.net).

If you are interested in the progress of this project, please visit [ocbridges.com](http://ocbridges.com) and register for construction notifications. We are committed to keeping the community informed about construction. For more information about the project:

-  Visit [www.ocbridges.com](http://www.ocbridges.com)
