

Step-by-Step Reporting Instruction Guide for Coordinators

On behalf of the Orange County Transportation Authority (OCTA), thank you for participating in the OC Vanpool program. It's a smart decision to share the ride while saving money and time and reducing stress and personal vehicle miles.

OCTA receives grant funding from the Federal Transit Administration (FTA) Urbanized Area Formula Program. This money is the basis for the \$400 monthly subsidy we provided to eligible vanpools in the OC Vanpool program. To remain eligible for this funding, OCTA is required to submit data monthly and annually to the National Transit Database. Most of the data required for these reports is derived from reports submitted by the vanpool group. Timely, accurate reporting is essential for the success of this program.

You must meet certain requirements to remain in the OC Vanpool program and continue to receive the \$400 monthly vanpool subsidy. All participating vanpool groups are required to report passenger participation trips and vanpool expenses by the 10th of each month. If you fail to report or report after the 10th of the month, you will not receive the \$400 vanpool subsidy.

Step #3 – Fill out your information on the next page by creating a unique login ID (which will become your user name) and create your password.

The password must:

1. be at least 8 characters long – it will not accept ().
2. start with an alpha character.
3. have at least one upper case letter.
4. have at least one lower case letter.
5. have at least one number.
6. Have at least one special character -! # \$ % &.

Please save the user name and password you created. You will need both to log in to your account each month; remember that the password is case sensitive. Next, enter your email address. This is the email that will be used to reset your password in case you forget it. You will be asked to enter a security question (i.e.- what’s your favorite sports team, pet’s name, etc..). Enter the answer for the question you created. This feature will uniquely identify you when resetting account information. Finally, enter the vanpool key number you received in your email from OCTA. Click “Create User” to complete form.

The screenshot shows the 'New Driver Registration' form on the OC Vanpool website. The header includes the OCTA logo and the text 'Orange County Transportation Authority' on the left, and the 'OC VANPOOL' logo on the right. Below the header, there is a grey sidebar on the left with the text 'Please enter a unique name for your Login ID.' The main content area has the title 'New Driver Registration' and a paragraph of instructions: 'Please submit the information below to register for a new vanpool reporting login or to create a new account if you do not remember your username. If you do not know your "Vanpool Key" ID, please contact OCTA at 714-560-5495 or email vanpool@octa.net.' Below this text is a registration form with the following fields: Login ID, First Name, Last Name, Current Password, Confirm Password, E-mail, Security Question, Security Answer, and Vanpool Key. At the bottom right of the form is a 'Create User' button with a green checkmark pointing to it.

Congratulations! You have successfully registered! Click the “Finish” button to bring up your account.

Please enter a unique name for your Login ID.

Step #4 – Your current list of passengers should appear on the “Participation” page. Please verify that all your passengers are displayed so you can begin reporting trips. You can report passenger trips daily, weekly or monthly depending on your preference as long as the report is complete by the 10th day of the following month. For example, March passenger trips should be reported by April 10th. Make sure you report by the 10th of the month to remain eligible for the \$400 OC Vanpool subsidy.

Step #5 – You will be able to report the first date that passengers begin riding in the vanpool, and no sooner. Simply place a check mark in the first box (left) if that passenger rode to work in the vanpool and a check mark in the second box (right) if that passenger rode back home from work. If the rider didn't ride to work in the vanpool or home in the vanpool, please do not check the box. The passenger's name must match the trip that is being reported. For example, if the passenger left the van and a new passenger joined the van you must delete the passenger who left and add the passenger that joined. Do not report trips for a passenger who is not riding. (Example: sick day, vacation day holiday, or no longer a passenger)

Always hit the "Save" button on the bottom right hand corner when you are done before proceeding to the next week. To proceed to the next week, hit the "Next Week" button on the bottom of the left-hand screen.

The screenshot shows the 'Participation' tab in the OC Vanpool Management system. The interface includes a navigation bar with 'HOME', 'APPLICATIONS', 'RESET PASSWORD', 'VANPOOL MANAGER', and 'ADD VANPOOLS'. The user is logged in as 'khewkin'. The main content area is titled 'Vanpool Management' and shows 'Customer ID: 32'. There are three tabs: 'Select Vanpool', 'Participation', and 'Expenses'. The 'Participation' tab is active, displaying a grid for the week of March 6-12, 2017. The grid lists seven passengers: Jianing Cao, Wendy Chamorro, Lucie Dean, Luis Medina, Vijaykumar S. Meli, Jasmine Robledo, and Weigang Yang. Each passenger has two checkboxes per day, one for riding to work and one for riding home. The 'Total Passengers: 7' and 'Van Size: 7 Passengers' are displayed at the bottom. Navigation buttons for 'Previous Week' and 'Next Week' are on the left, and 'Check All', 'Print', and 'Save' buttons are on the right. Annotations with arrows point to various elements: 'Participation tab to report passenger' points to the 'Participation' tab; 'Check box if passenger rode home that day' points to the right checkbox in the first row; 'Check box if passenger rode to work that' points to the left checkbox in the first row; 'Click "Next Week" button after hitting "Save" button to report for next week' points to the 'Next Week' button; '"Check All" box will populate all passenger boxes at one time' points to the 'Check All' checkbox; and 'Hit "Save" button after you report trips and before you move to next week' points to the 'Save' button.

- Please Select - \$ [] [] []

Expense History From: 1/13/2017 to 3/13/2017

Step #7 - Click the "Expense Type" dropdown to select the expense you want to input. For fuel cost, you are required to input the amount and the actual gallons associated with that cost. Do not enter estimates. Input the date of the month associated with the report (i.e. March expenses should not be reported with an April date). Vanpool expenses must be reported whether they are out of pocket or paid by the employer. Car wash expenses and any parking and tolls associated with the commute must also be reported. Reporting fuel only will be considered an inaccurate expense reporting.

Step #8 –Ensure accuracy by keeping receipts. You can input the expense when it is incurred or input the total expense for each category once per month. Just be sure to report it in the month the expense was incurred. Click the “Add Expense” button.

Expense History From: 8/2/2018 to 10/2/2018

EXPENSE DATE	ROAD TOLLS	FUEL COSTS	FUEL (GAL)	CAR WASH	PARKING	
08/02/2018		\$48.00	15			Delete
08/08/2018		\$43.75	13			Delete
08/09/2018	\$95.00					Delete
08/13/2018		\$34.01	10			Delete
08/16/2018		\$44.71	14			Delete
08/22/2018		\$43.33	13			Delete
08/28/2018		\$39.09	12			Delete
08/28/2018				\$18.99		Delete

Step #9 – If you input an expense incorrectly and need to delete it, simply click the “Delete” button. Only delete if there is an error; otherwise, leave all expenses recorded for the history expense report to be complete. If you do delete an expense, please remember to go back and enter the expense item correctly. You can view the entire month of reported expenses at a glance.

Expense History From: 1/13/2017 to 3/13/2017

EXPENSE DATE	ROAD TOLLS	FUEL COSTS	FUEL (GAL)	CAR WASH	PARKING	
01/16/2017		\$11.00	1			Delete
01/17/2017		\$1.00	11			Delete
01/18/2017		\$22.00	33			Delete
01/18/2017		\$22.00	33			Delete

That’s it! Now just repeat the trip and expense reporting every month and be sure to report by the 10th of the month. Not reporting, reporting late, or reporting expenses for the month it was not incurred puts the \$400 monthly vanpool subsidy in jeopardy.

You can also report your participation trips and expenses using our OC Vanpool mobile app by searching “OC Vanpool” in the App Store or Google Play.

4. How to Add a Passenger

Any passenger riding in a vanpool in the OC Vanpool program must successfully complete an OC Vanpool Participant Agreement before their first trip in the van. Email the completed participant agreement to vanpool@octa.net. Only OCTA will be able to add passengers to an account.

All information on the Participant Agreement must be accurate and consistent. The pick-up point must be consistent with the entire group and the miles to and from work must match the miles of passengers picked up at the same location. If the location is different, OCTA will call to verify. Incomplete Participant Agreements will not be accepted.

5. How to Delete a Passenger

Step #1 – Click on the “Passengers” tab to begin.

The screenshot shows the OC Vanpool Management interface. At the top, it says "Logged in as: khewkin". The navigation bar includes "HOME", "APPLICATIONS", "RESET PASSWORD", "VANPOOL MANAGER", and "ADD VANPOOLS". The main header shows "Vanpool Management" and "Customer ID: 32". Below the header are three tabs: "Select Vanpool", "Participation", and "Expenses". The "Passengers" tab is highlighted with a green arrow. Below the tabs is a table with the following data:

6. Low Occupancy

The vanpool group is required to maintain a monthly occupancy level of 50% or greater. Participation is calculated by the number of seats occupied each month, not the number of passengers on the vanpool roster. If a vanpool falls below 50% occupancy, the group has 90 days to add passengers or switch to a smaller van, unless they already have a 7-passenger vehicle. If the group is below 50% occupancy for three consecutive months, the OC Vanpool subsidy will be declined in the following month until ridership reaches 50%.

7. Deadline for Reporting

The vanpool coordinator is required to report all trips and expenses in full by the 10th of the following month (i.e. March report April 10th). If the vanpool report was not received or was received after the 10th of the month for passenger trips and vanpool expenses, the group becomes ineligible for the \$400 vanpool subsidy.

Note: if you do not report trips and/or expenses, you will be denied the \$400 subsidy for that month. There is no grace period for incomplete reports or failure to report.

8. Terminating a Vanpool

To remain eligible for the vanpool subsidy up to the termination date, please report the trips and expenses up to the last day the vanpool operates. Once your account is closed, you will not be able to report participation trips or expenses.
