

Orange County Service Authority for Freeway Emergencies (SAFE) Request For Temporary Call Box Removal – Construction

To request the temporary removal of an Orange County call box for construction, please complete this removal request form. Email the completed form to the Orange County Transportation Authority (OCTA) SAFE Manager, Patrick Sampson, at PSampson@octa.net or fax it to him at (714) 347-2025.

Please submit the completed request form at least ten (10) business days before the requested removal date. Please feel free to contact the SAFE Manager at (714) 560-5425 if you should have any questions or require additional information.
