

# Maintenance

NOTICE

March 2, 2009

**Dear South Orange County Residents:**

This notice is to inform you of upcoming railroad track maintenance activities that will take place on Metrolink's Orange County Line. Work will take place starting at the San Diego County Line to Fullerton over the next three weeks. Work will take place on the following schedule:

Sunday, March 8<sup>th</sup> through Sunday, March 29<sup>th</sup>  
From 9:00 p.m. until 5:00 a.m. the following day  
Work days Sunday through Thursday

The rail maintenance work that will be done is called "tamping". Tamping is a process that uses on-track machinery to lift and line the track and "tamp" the ballast rock. Tamping pounds and vibrates the gravel around the rails and crossties to pack it properly so it supports the track and allows proper drainage. This work may be noisy and could create some dust as it progresses.

If you have any questions about the work, please contact the Metrolink Community Relations Office at (213) 452-0288 or e-mail [lopezl@scrra.net](mailto:lopezl@scrra.net).

WE APOLOGIZE FOR ANY INCONVENIENCE AND APPRECIATE  
YOUR PATIENCE DURING THIS TIME.

Southern California Regional Rail Authority  
700 S. Flower St., 26<sup>th</sup> Floor, Los Angeles, CA 90017-4101
