

Metrolink – A great Southern California commuting resource

- Keeping Orange County passengers on track since 1994
- 40 round trips every weekday on three lines:
 - Orange County Line serving Oceanside to Los Angeles Union Station
 - Inland Empire-Orange County Line from San Bernardino to San Juan Capistrano
 - 91 Line serving Riverside-Fullerton-Los Angeles
- More frequent trains & weekend service coming in 2006

Here's how it works

- It's really simple – our account executive will help you set up the program by filling out a few forms
- Pass sales are on-consignment, eliminating employer risk
- Minimum requirement is only 5 passes
- The employer has the choice to subsidize all or part of the costs, or none at all

Here's how employers benefit

- The Metrolink Pass Program gets your employees to work on time with less stress, ready to be more productive
- Participation may reduce your payroll taxes
- Easier commuting may give you access to a larger pool of qualified employees
- Fewer commuters by car reduces the need for building and/or leasing expensive non-customer parking
- Easy way to help meet your SCAQMD* requirements

* South Coast Air Quality Management District

A great way for your employees to get to work!

- Convenient, stress-free commute plus FREE connecting transit between Metrolink stations and major employment centers
- Travel time allows down time for reading, relaxing, making friends or even napping
- Since employer coordinates the purchase, there's no need to stand in line to buy monthly pass
- Added convenience and possible tax benefits if cost is deducted from payroll
- Strong on-time performance leaves more time for family, errands or just relaxing
- Schedule frequency accommodates flexible working hours
- No need to worry about rising gas prices
- Savings on car repair, parking and auto insurance expenses
- PLUS travel on Amtrak trains at no extra cost if travel is within the trip limits of Metrolink monthly pass
