

# Facilities & Boarding Diagrams

OCTA has several facilities to help ease your commute. Bus Transportation Centers are major transfer hubs that provide restroom facilities and covered shelter while you wait for your bus. Park-and-Ride facilities allow you to drive your car to the nearest transit facility where you can take a bus or train to complete your trip. Metrolink Stations provide rail and bus connections. Stationlink routes provide a link between train stations and major employment/activity centers and are designed to meet selected trains. You can find route maps and timetables inside this Bus Book.
