

Interstate 5 (I-5) South County Projects Update

Project and Public Outreach Update

I-5 from Avenida Pico to San Juan Creek Road

- Add one high-occupancy vehicle (HOV) lane in each
- Improve sight distance on southbound horizontal curve north of Pacific Coast Highway
- Reconstruct Avenida Pico interchange:
 - Widen northbound Avenida Pico on-ramp to three lanes
 - Provide dual left-turn lanes to both northbound and southbound Avenida Pico off-ramps
- Add soundwalls
- Approximately \$275 million from Measure M, federal, and state funding
- Construction scheduled to begin in late 2013

Existing Avenida Pico Interchange

Proposed Avenida Pico Interchange

I-5 from SR-73 to El Toro Road

- One general purpose lane each direction
- Extend second HOV lane from Alicia Parkway to El Toro Road
- Reconstruct Avery Parkway and La Paz Road interchanges
- Re-establish all existing auxiliary lanes
- Construct soundwalls as needed
- Approximately \$560 million from Measure M and federal funds
- Construction scheduled to begin in 2018 through 2022
