

# Approval to Release the Draft Orange County's Sustainable Communities Strategy

# *Draft OC SCS*

## **Draft OC SCS**

- Built on local jurisdiction and stakeholder input
- OCCOG Technical Advisory Committee
- Collaboration with SCAG

*No surprises, meets statutory requirements,  
adheres to SCAG MOU.*

# *Key Elements of Draft OC SCS*

- Foundation: Orange County Projections 2010
- Transportation initiatives: Builds on OCTA's Long Range Transportation Plan
- Strategies to reduce greenhouse gas emissions include: land use strategies, transportation system strategies, and Best Management Practices (BMPs)

*The OC SCS documents the existing collective effort by local jurisdictions, agencies and stakeholders to link transportation and land uses.*

# Project Schedule
