Construction Commences Week of June 23

OCTA and Caltrans are kicking off construction of the I-605/Katella Avenue Interchange Project, which is expected to begin the week of June 23. The project will enhance safety and mobility for motorists, bicyclists, and pedestrians.

Early construction activities will include mobilization of equipment as crews prepare to perform the following activities over the next month:

Daytime Activities

- Remove vegetation
- Relocate utilities

Nighttime Activities

- Install temporary concrete barriers
- Restripe Katella Avenue
- Demolish and reconstruct the center median on Katella Avenue/Willow Street beneath the freeway

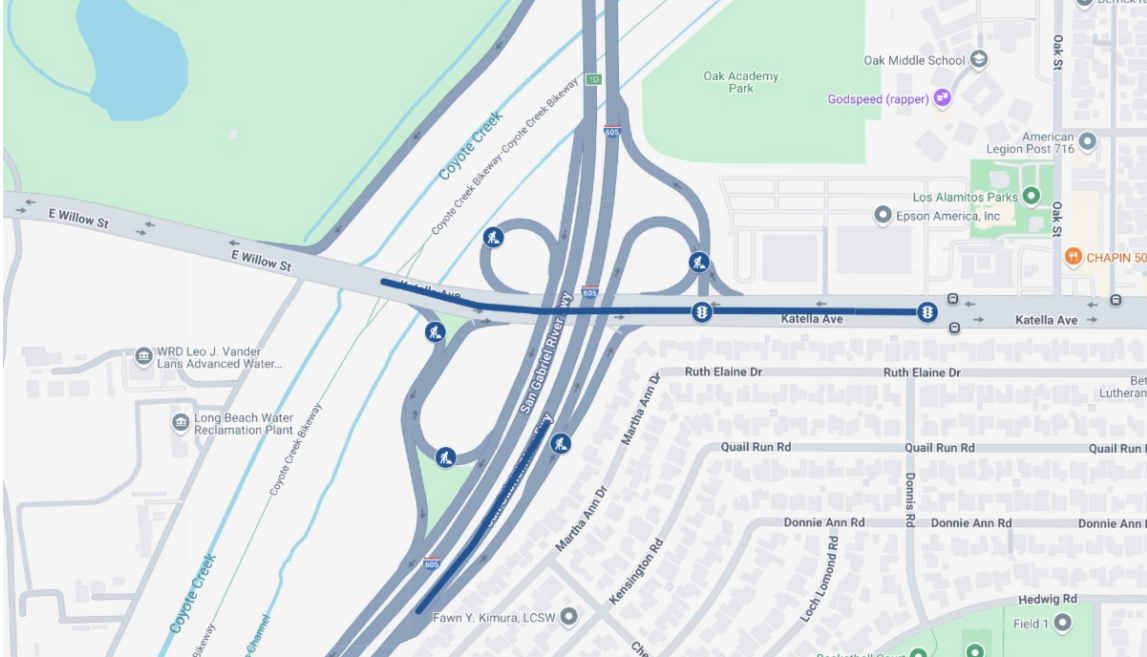

Construction will generally take place on weekdays from 6 a.m. to 4 p.m. Intermittent night work will occur between 9 p.m. and 5 a.m. for certain activities.

This work may be loud. The schedule is subject to change due to inclement weather or unforeseen operational issues.

Closures and Detours Map

Once construction is underway, the interactive "Closures and Detours Map" will be updated regularly highlighting major activities and associated closures and detours. We encourage the community to bookmark the link for quick access to real-time construction information. Click on the image to be redirected.

In the Community

OCTA's Public Outreach team has been in the community over the past several months to prepare the public for project construction. The team is dedicated to continue providing regular communications and community engagement during this time.

We are participating in the City of Los Alamitos' Concert in the Park and we encourage you to stop by to learn more about the project and ask questions.

Event Details:

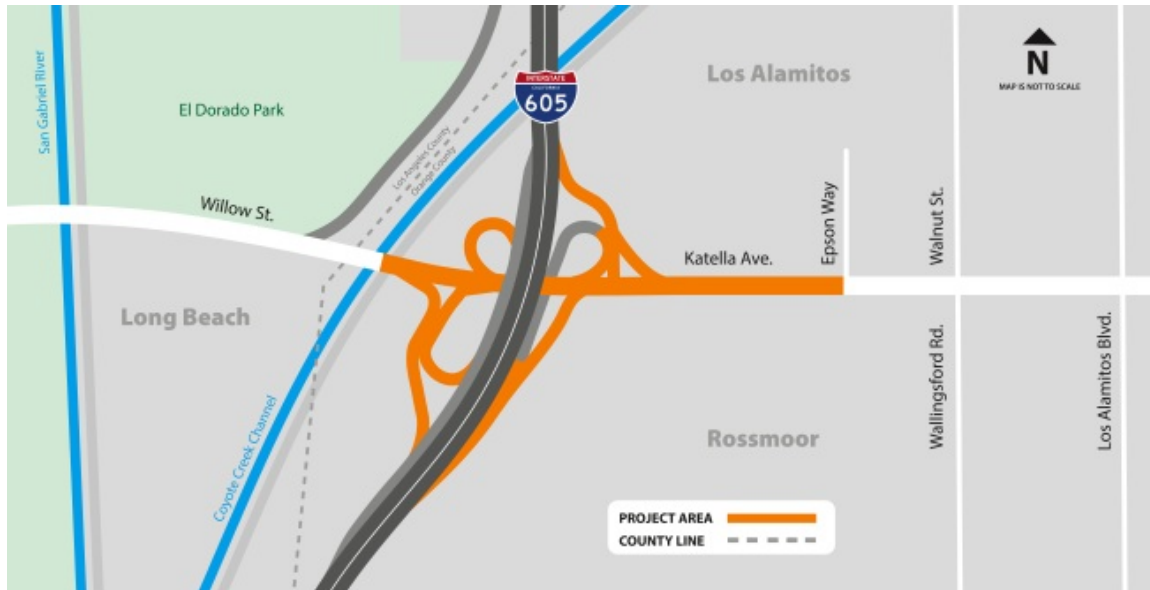

Thursday, June 19, 6:30 - 8 p.m.
10902 Pine Street, Los Alamitos

In addition, if your organization or community group is interested in receiving a project presentation, please email the Outreach Team at 605KatellaInfo@octa.net.

About the Project

The Orange County Transportation Authority (OCTA), in cooperation with Caltrans, is improving the local interchange at Interstate 605 (I-605) and Katella Avenue. The project will enhance safety and traffic flow by modifying existing on- and off-ramps, making improvements on Katella Avenue, and improving bicycle and pedestrian facilities.
