

I-605 Katella INTERCHANGE

Safer. Smarter. Smoother.

Improvements are Coming to the I-605/Katella Avenue Interchange

Haga clic aquí para ver esta información en español.

The Orange County Transportation Authority (OCTA) and Caltrans are improving the I-605/Katella Avenue interchange to enhance mobility, optimize traffic flow and improve pedestrian and bicycle facilities. Construction is set to begin in late June 2025 and is expected to be completed in late 2026.

The project will:

- Modify on- and off-ramps
- Add Class II bike lanes
- Optimize traffic flow
- Improve pedestrian safety
- Enhance sidewalk connectivity

About the Project

The Orange County Transportation Authority (OCTA), in cooperation with Caltrans, is improving the local interchange at Interstate 605 (I-605) and Katella Avenue. The project will enhance safety and traffic flow by modifying existing on- and off-ramps, making improvements on Katella Avenue, and improving bicycle and pedestrian facilities.
