- Travel More, Save More with the 91 Express Club™
- Watch for Customer Satisfaction Survey
- Be Sure to Take Your Transponder on the 91 Express Lanes
- Progress Continues as the 91 Express Lanes Extends into Riverside County
- Follow Us on Facebook for News and Prizes
- New Toll Adjustments Effective July 1, 2014

The 91 Express Lanes is owned and operated by the Orange County Transportation Authority. For more information, call (951) 278-9191 or visit www.91expresslanes.com.

Travel More, Save More with the 91 Express Club™

Did you know that by taking more trips on the 91 Express Lanes, you can actually save money?

The 91 Express Club was designed exclusively for frequent users of the 91 Express Lanes. With this account plan, the more you use, the more you save.

Here's how it works. 91 Express Club members receive a \$1 discount on every tolled trip. After only 20 trips*, your monthly \$20 fee pays for itself. And the savings keep growing!

Imagine getting a \$1 discount per toll! That adds up fast and makes it worthwhile to add in another trip to work, shopping, beach, or

wherever your imagination and the 91 Express Lanes take you.

Every journey on the 91 Express Lanes is fast, safe, and convenient. With the right account plan, it can be more rewarding than ever.

The 91 Express Lanes offer four different account plans. If you decide that the 91 Express Club is right for you, it's easy to switch. Just go to www.91expresslanes.com or call **800.600.9191**.

*Per transponder. All tolled trips must be taken on the 91 Express Lanes to count toward monthly tolled trip discounts.

PROMOTIONS

at www.91expresslanes.com

Refer a Friend and Earn \$25

Like how much time you save on the Express Lanes? Tell a friend. You'll earn \$25 in free tolls when they sign up.

Destination Discount Partners

Just show your transponder and you'll receive a discount at a variety of destinations.

Watch for Customer Satisfaction Survey

How satisfied are you with the 91 Express Lanes? What do you like best about traveling on the toll road?

Many of you will get the opportunity to express your opinions about these and other issues by taking part in the Customer Satisfaction Survey.

During July and August, watch for the survey in your snail mail or email.

Your satisfaction is very important to us. Thank you to all who choose to participate in the survey. Your responses will help us continue to improve the 91 Express Lanes.

Be Sure to Take Your Transponder on the 91 Express Lanes

As you travel through Orange County, you may have noticed some differences in the way payment is collected for toll roads. In May, for example, the Transportation Corridor Agencies (TCA) removed all cash and coin collection machines from the network of roads that includes the Foothill (State Route 241), the San Joaquin Hills (State Route 73), and the Eastern (State Routes 241, 133 and 261) transportation corridors.

This follows TCA's introduction earlier this year of Express Accounts, a program that allows drivers to travel on TCA toll roads without a FasTrak® transponder. Toll rates with Express Accounts are 45 cents to \$1.10 higher than FasTrak accounts.

Confused about what these changes may mean on the 91 Express Lanes? No worries! Just continue to use your FasTrak transponder. Vehicles must be equipped with a FasTrak transponder linked to a pre-paid account to use the 91 Express Lanes. When traveling through

the toll zone, the transponder is read and the posted toll amount is automatically deducted from your pre-paid account. Your FasTrak transponder can also be used when traveling on other California toll facilities such as the SR-125 and I-15 Express Lanes in San Diego and San Francisco-Oakland Bay Bridge and Golden Gate Bridge in the San Francisco Bay Area.

On the 91 Express Lanes, save an average of 30 minutes per trip* while traveling in free-flowing lanes for 10 miles without stopping to pay tolls. Transponders are available by mail or in person when signing up for an account for the 91 Express Lanes.

*Based on a 2011 Customer Satisfaction Survey for the 91 Express Lanes

Progress Continues as the 91 Express Lanes Extends into Riverside County

Known as the 91 Project, the extension of the 91 Express Lanes into Riverside County is moving forward. Led by the Riverside County Transportation Commission (RCTC), the SR-91 Project will add regular lanes, tolled express lanes, auxiliary lanes and a direct express lane connector from northbound Interstate 15

(I-15) to westbound State Route 91 (SR-91) and eastbound SR-91 to southbound I-15. Improvements to interchanges, bridges, ramps, and local streets will also be made along SR-91.

Over the past few months, crews have concentrated on work outside the 91 roadway. In March, tree removal began in accordance with a Tree Preservation and Removal Plan prepared by a certified arborist as part of RCTC's commitment to sustainable approaches on its infrastructure projects. Trees will be replaced at a ratio of 1.25 trees for every one removed; oak trees will be replaced at a ratio of three trees replaced for every one tree removed.

In the second half of 2014, major work along SR-91 will focus on widening along the

shoulder, bridge reconstruction and ramp reconfiguration and reconstruction. Work along I-15, from SR-91/I-15 interchange to Ontario Avenue, will focus on widening in between the median. The eastbound SR-91 to southbound I-15 connector, the northbound I-15 to westbound SR-91 connector and improvements to SR-91/State Route 71 (SR-71) connector also are expected to begin construction this year.

Please be aware of all construction-related activity along the project corridor and remember to slow down, watch for workers and heavy equipment and allow extra travel time.

To learn more about the SR-91 project, visit the website at www.sr91project.info or call the project helpline at 877-770-9191.

Follow Us on Facebook for News and Prizes

Get the latest on your favorite toll road at www.Facebook.com/91ExpressLanes. You'll find news, promotions, photos, tips and more.

Drop by soon to enter our "Express Fun" summer sweepstakes! We've got lots of great prizes, including:

- Tickets to Mission San Juan Capistrano
- Whale watching tickets at Newport Landing
- Family admission to the March Field Air Museum
- Admission and unlimited ride tickets at Adventure City
- Group admission for 10 gamers at Howie's Game Shack

Increase your chance of winning by sharing with friends. Thanks to our partners for contributing these awesome prizes!

New Toll Adjustments Effective July 1, 2014

Each year, tolls not adjusted by congestion management pricing are subject to a cost of living adjustment (COLA) as specified by the toll policy approved by the OCTA Board of Directors. Beginning July 1, tolls will increase 3% (rounded up or down to the nearest 0.05 cent increment).

Please check the toll schedule to the right for the latest toll adjustments.
