Measure M2
TEN-YEAR REVIEW

Tell Us What You Think of Transportation in Orange County!

Measure M2 (M2) is a 30-year, half-cent sales tax for transportation improvements in Orange County, administered by the Orange County Transportation Authority (OCTA). M2 includes a Transportation Investment Plan (Plan) that funds a range of improvements—enhancing freeways, local streets and public transit, while also addressing environmental mitigation and sustainability. With an estimated \$14 billion in funding by 2041, M2 plays a central role in the development of Orange County's transportation system.

In accordance with taxpayer safeguards, OCTA is conducting a Comprehensive Ten-Year Review (Review) to evaluate the performance of the Plan. The Review ensures that M2 remains transparent, accountable and responsive to Orange County's evolving transportation needs.
