June 23 - 27 Sunday - Thursday Midnight - 5am	Northbound	Full Ramp Closure	La Paz Road On-ramp

The duration of this work may change depending on site conditions and are subject to change due to unforeseen operational factors.

Upcoming Work Activities

Crews will continue **Restriping and Placement of temporary concrete barriers (k-rail)** which requires intermittent closures of the carpool and left two lanes between Oso Pkwy. and Alicia Pkwy. **Clearing and grubbing** will continue at the Oso Pkwy interchange to establish a temporary construction yard.

The overnight closure of Northbound On-ramp is necessary for the safety of our crews as they begin clearing and grubbing for construction at the La Paz Road Interchange. This closure will require a detour along Muirlands Boulevard depicted as red arrows in the map below, motorists will be able to use the Northbound Alicia Parkway On-ramp to access Northbound I-5. Traditional and electronic signage will be posted within the construction area and along the detour route to guide the community.
