OVERVIEW

OC Flex is an on-demand, curb-to-curb shared service using compact, fuel-efficient shuttles that seat a maximum of seven passengers. OC Flex does not run on a fixed route like regular bus service. Within the zone and during the hours of operation, riders can go where they want with confidence knowing that OC Flex drivers are professionals who have undergone rigorous background checks and safety training. A clean, safe, and easy-to-use service, OC Flex is ideal for single or group rides for errands, commuting, and fun. Unlimited local rides all day are only \$4.50 when paid on the OC Flex Mobile App or \$5 cash onboard.

FREE TRANSFERS

All day on the day of purchase, OC Flex and OC Bus regular 1-day or 30-day passes are interchangeable. Use either pass on either service. With a valid Metrolink or Amtrak pass, you can ride to or from a train station within the zone for free on OC Flex.
