

# BUSINESS PROGRAM

The Orange County Transportation Authority's **Focus on 55 Program** supports businesses in the SR-55 (I-405 to I-5) Improvement Project corridor during construction.

The program offers marketing assistance to increase exposure for businesses and encourages customers to shop locally.

Participation is free for eligible businesses in Irvine, Santa Ana and Tustin.

# IMPROVEMENT PROJECT I-405 to I-5

## IMPROVEMENTS ARE COMING TO THE 55 FREEWAY!

OCTA and Caltrans are improving 4 miles of SR-55 between I-405 and I-5. This project will add one regular lane and one carpool lane in each direction to reduce congestion and improve traffic operations. In addition, the project will add auxiliary (merge) lanes between interchanges. Construction is expected to begin in August 2022 and be completed in 2026.
