I-405 Improvement Project

Overview

Improve 10 miles of I-405 between the SR-73 freeway in Costa Mesa and I-605 near the L.A. County line.

The project includes adding one regular lane in each direction from Euclid Street to I-605 and making improvements to freeway entrances, exits and bridges. It also will construct the 405 Express Lanes, two lanes in each direction from SR-73 to I-605. The new express lanes - incorporating the existing carpool lanes and connectors that opened in 2014 - will give solo drivers the choice to speed up their commute for a toll, and
