The Los Angeles – San Diego – San Luis Obispo (LOSSAN) Rail Corridor Agency is a joint powers authority comprised of rail owners and operators along the 351-mile rail corridor between San Diego, Los Angeles, Orange County, Ventura, Santa Barbara, and San Luis Obispo. The LOSSAN Agency works collaboratively with member agencies to increase passenger rail ridership and revenue, and to enhance on-time performance, operational flexibility, and safety in the rail corridor for both passenger and freight services.

Effective July 1, 2015, the LOSSAN Agency assumed administrative responsibility for the Pacific Surfliner service, following the execution of an interagency transfer agreement with the State of California. Locally focused management will help to further enhance customer service, ensure efficient use of resources, and allow more effective decisions about train schedules, on-board amenities, and service expansion. The Pacific Surfliner is currently the second busiest Amtrak intercity route in the nation, with more than 2.8 million annual passengers. Visit [www.lossan.org](http://www.lossan.org) for more information about LOSSAN.

## Bikes on Board

Bike reservations are required on the Pacific Surfliner. Bike reservations may be booked at Amtrak.com by clicking the “Add Bike to Trip” tab after selecting your departure and class of service. Passengers are required to properly secure bicycles on bike racks. Book early as reserved bike space is limited and may not be available on all trains or departures. Bikes are allowed without a reservation on all Metrolink and COASTER trains.

## Amtrak Thruway Bus Connections

Amtrak Thruway buses are convenient, dedicated motor coaches designed exclusively for Amtrak train passengers with connections to more than 175 additional destinations in California and Nevada that are not served by rail. For more information visit Amtrak.com.
