## Construction Alert

### Week of September 25, 2023

#### Construction Highlights:

- Platform installation in Segment 3 along Santa Ana Boulevard at Sycamore Street and at French Street. Temporary lane and parking restrictions will be required along the segment.
- Platform installation and sidewalk improvements along Segment 4.
- Track installation in Segment 5. Work requires the below traffic controls to be in effect. Learn more [here](#).
  - Closure of the north side of Santa Ana Boulevard from Minter Street to Poinsettia Street. Eastbound traffic is shifted to the south side of the street. Westbound traffic is detoured.
  - Partial closure at the Santiago Street and Santa Ana Boulevard intersection. Eastbound traffic is permitted through the intersection. Westbound traffic is detoured. Access to the Santa Regional Transportation Center from westbound Santa Ana Boulevard is maintained via a temporary left-hand turn to the station parking lot, right before the Santiago Street intersection.
  - Partial intersection closure at Lacy Street and Garfield Street.
- Sidewalk and gutter construction at the exit driveway from the Santa Ana Regional Transportation Center parking garage to Santiago Street. Work requires a partial driveway closure and a temporary exit area. Learn more [here](#).

*Access will be maintained for all residents and businesses. Construction activities are dependent on weather and resource availability.*

For information on how to process a construction-related, personal or property damage claim, please contact Tresa Oliveri at (714) 560-5374 or [ocstreetcar@octa.net](mailto:ocstreetcar@octa.net). She will provide information for the next steps in the process to file a claim with Walsh Construction.

## Parking in Downtown Santa Ana

Street parking in Downtown Santa Ana may be limited while construction is active. Several parking structures are available throughout the downtown area that offer free parking Monday through Friday, from 7 a.m. to 5 p.m. The first 2 hours of parking are free evenings and weekends:

- 310 N Birch Street
- 253 E 3rd Street
- 420 N Main Street
- 300 E 5th Street

The entrances to parking structures are accessible from 5th Street and 3rd Street.

Download a PDF of the parking map [here](#).

A map titled "OC STREETCAR Moving Forward" showing parking structures in downtown Santa Ana. The map displays a grid of streets including 5th Street, 4th Street, and 3rd Street, and N Birch Street, N Broadway, Sycamore Street, Main Street, N Birch Street, and N Spurgeon Street. Four parking structures are highlighted with orange callouts: 310 N Birch Street, 420 N Main Street, 253 E 3rd Street, and 300 E 5th Street. A blue box at the top left states: "The below parking structures are available while construction is active on 4th Street. Entrances to the structures are accessible from 5th Street and 3rd Street." At the bottom, it says "Free parking - M-F: 7 a.m. - 5 p.m. 2 Hrs. Free - Evenings &amp; Weekends" and "OCStreetcar.com" with logos for OCSTA, OCgo, and other partners.

# Eat, Shop, Play

OCTA's Eat Shop Play program supports businesses located along the future OC streetcar route. Benefits to customers include special deals, invitations to community events and free parking for the first hour in nearby structures. Learn more at [octa.net/eatshopplay](http://octa.net/eatshopplay).

## About the Project

OC Streetcar is the first modern streetcar project to be built in Orange County and will serve Santa Ana's historic and thriving downtown, which includes federal, state and local courthouses, government offices, colleges, an artists' village and a thriving restaurant scene. It will operate along a 4.15-mile route that connects the Santa Ana Regional Transportation Center (SARTC) and a new transit hub at Harbor Boulevard and Westminster Avenue in Garden Grove.

---

## Help OCTA design a walking and biking trail for your community!

Orange County Transportation Authority (OCTA), in cooperation with the cities of Garden Grove and Santa Ana, the California Department of Transportation (Caltrans), and the County of Orange, is advancing the OC Connect trail project. The project creates a 4-mile biking and walking trail connection between the downtown areas of Garden Grove and Santa Ana as well as to the Santa Ana River Trail and the countywide 66-mile bikeway - OC Loop. This project will improve the transportation network along the corridor and provide a safe, well-connected active transportation route. Sign-up to receive project updates!
