

Santa Ana Blvd. & Ross St. Closures

OC Streetcar crews will be working on the track at the Ross Street and Santa Ana Boulevard intersection. To accommodate this work, **the northbound lane of the Santa Ana Boulevard and Ross Street intersection and the right-hand turn lane from westbound Santa Ana Boulevard to northbound Ross Street will be closed starting as early as February 24 and will be in effect for approximately one week. The closures will be in effect from 7 a.m. to 4 p.m. each day.**

The schedule is subject to change due to inclement weather or unforeseen operational issues. Work activities are weather dependent. If a weather event or operational issue occurs on the anticipated start date, the closures will be delayed until the conditions allow the activity to start. This work may be loud.

A maps of the closures is below.
