Construction Alert

Week of January 30, 2022

Construction Highlights:

- Track installation completion activities in Segment 1. Work requires full closure of 5th Street between Nantucket Place and Hawley Street. Learn more [here](#).
- Wire installation for the overhead wire system in Segment 2. Work requires temporary, rolling closures in localized sections along Santa Ana Boulevard between Raitt Street and Parton Street. Learn more [here](#).
- Platform installation in Segment 2. Work requires eastbound lane closures on Santa Ana Boulevard from Pacific Avenue to Bristol Street. Detours are available. Learn more [here](#).
 - A westbound closure of the Bristol Street and Santa Ana Boulevard intersection will be in effect on January 31, from 8 a.m. to 3 p.m. Learn more [here](#).
- Platform installation in Segment 3 along Santa Ana Boulevard at Sycamore Street and at French Street. Temporary lane and parking restrictions will be required adjacent to platform locations.
- Platform installation and sidewalk improvements along Segment 4.
- Track installation in Segment 5. Work requires the below traffic controls to be in effect. Learn more [here](#).
 - Full closure of the south side of the street between Mortimer Street to Lacy Street. Eastbound and westbound traffic is shifted to the north side of the street.
 - Partial intersection closures at Minter Street and Poinsettia Street. Detour routes are available.
 - Closure of westbound lanes between Poinsettia Street and Santiago Street. Detour routes are available.
 - Closure of northbound lanes on Santiago Street between 6th Street and Santa Ana Boulevard.

- Closure of 6th Street between French Street and Mortimer Street.

Access will be maintained for all residents and businesses. Construction activities are dependent on weather and resource availability.

For information on how to process a construction-related, personal or property damage claim, please contact Tresa Oliveri at (714) 560-5374 or ocstreetcar@octa.net. She will provide information for the next steps in the process to file a claim with Walsh Construction.

Parking and Pedestrian Access in Downtown Santa Ana

Street parking on 4th Street may be limited while construction is active. Several parking structures are available throughout the downtown area that offer free parking Monday through Friday, from 7 a.m. to 5 p.m. The first 2 hours of parking are free evenings and weekends:

- 310 N Birch Street

- 253 E 3rd Street
- 420 N Main Street
- 300 E 5th Street

The entrances to parking structures are accessible from 5th Street and 3rd Street.

The below parking structures are available while construction is active on 4th Street. Entrances to the structures are accessible from 5th Street and 3rd Street.

OCSTREETCAR

Moving Forward

Free parking - M-F: 7 a.m. – 5 p.m.
2 Hrs. Free - Evenings & Weekends

OCStreetcar.com

Pedestrian Access

Pedestrian access along 4th Street has reopened, please follow signage to stay in pedestrian safe zones.

The graphic features the OC Streetcar logo (OCTA) and the "EAT SHOP PLAY" program name for Downtown Santa Ana. Below the logo is a circular badge with a streetcar image and the text "DEALS INSIDE" and "OCstreetcar.com". At the bottom are three colored squares with white icons: a green square with a fork, spoon, and knife; a blue square with a shopping bag; and an orange square with a musical note.

OCTA's Eat Shop Play program supports businesses located along the future OC streetcar route. Benefits to customers include special deals, invitations to community events and free parking for the first hour in nearby structures. Learn more at octa.net/eatshopplay.

OC STREETCAR

OC Streetcar construction is underway.
For your safety, please remember:

- ✓ Do not enter fenced work areas
- ✓ Follow pedestrian detour signage
- ✓ Be aware of your surroundings when walking near work sites

About the Project

OC Streetcar is the first modern streetcar project to be built in Orange County and will serve Santa Ana's historic and thriving downtown, which includes federal, state and local courthouses, government offices, colleges, an artists' village and a thriving restaurant scene. It will operate along a 4.15-mile route that connects the Santa Ana Regional Transportation Center (SARTC) and a new transit hub at Harbor Boulevard and Westminster Avenue in Garden Grove.
