

Construction News Week of November 25, 2019

Happy Holidays!

OC Streetcar construction will be taking a break on 4th Street in downtown Santa Ana between Thanksgiving and January 1, 2020.

Sewer Installation

Sewer installation work continues along the project route with activities including excavation, trenching, installation of sewer pipelines, and road work and restoration. Sewer installation work requires temporary parking and lane restrictions. Drivers traveling to downtown Santa Ana and to the Santa Ana Transportation Center from the 5 Freeway will encounter detours on Santa Ana Boulevard to accommodate the work activity. Please leave extra time.

Water Pipeline Work

Crews will also continue to perform water pipeline work and storm drain installation work along the project route, which requires temporary lane and sidewalk restrictions.

Access will be maintained for all residents and businesses.

For specific work activities in your area, see the segment overviews and maps below. All scheduled activities are weather permitting and are subject to change. There will be no work on Thursday, November 28, and Friday, November 29, in observance of Thanksgiving.

Si tiene alguna pregunta acerca del proyecto del OC Streetcar, llame a Robert Chevez al (909) 714-0172.

SEGMENT 1 CONSTRUCTION ACTIVITIES Intersection of Harbor Blvd. and Westminster Ave. to Raitt St.

Over the next two weeks, Segment 1 construction activities will include:

- Preliminary work at the site of the future Maintenance Storage Facility
- Excavations and storm drain installation within Pacific Electric Right-of-Way (PEROW)
- Santa Ana River Bridge construction
- Rebar installation and wall construction at Westminster Avenue, near PEROW. **A temporary pedestrian detour will be maintained**
- Westminster Avenue Bridge construction

A full closure of Westminster Avenue, from Harbor Boulevard to Enterprise Drive will be in effect Thursday, December 5, from 7 p.m. to 5:30 a.m. and from Friday, December 6, at 7 p.m. through Sunday, December 8, at 5:30 a.m. for Westminster Avenue Bridge construction.

SEGMENT 2 CONSTRUCTION ACTIVITIES

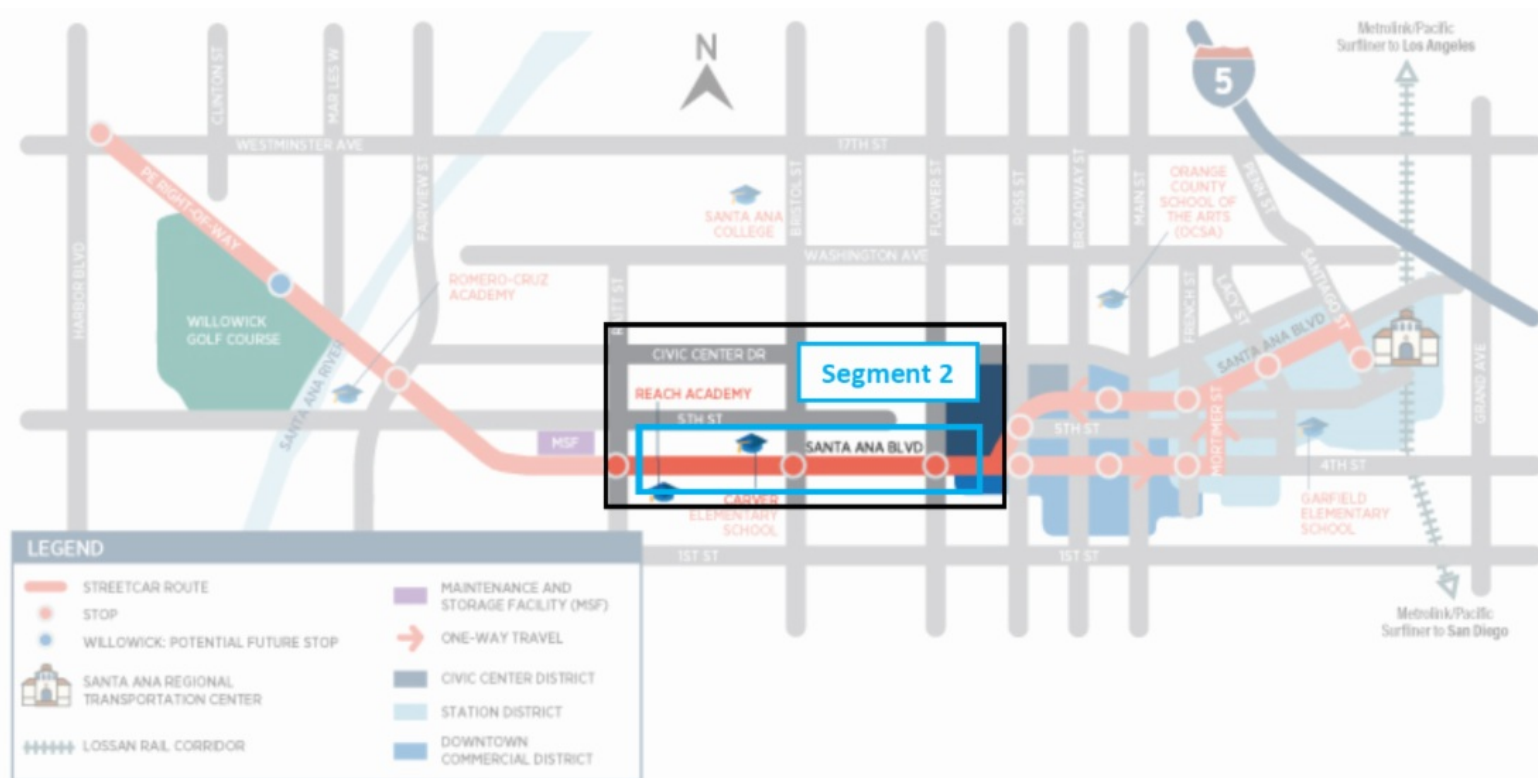

Raitt St. to Parton St.

Over the next two weeks, Segment 2 construction activities will include:

- Storm drain installation and water pipeline work on Raitt Street, from 1st Street to W. Santa Ana Boulevard
- Water pipeline work and installation on W. Santa Ana Boulevard, from Raitt Street to Flower Street
- Water pipeline work at the intersection of W. Santa Ana Boulevard and Bristol Street
- Sanitary sewer work on W. Santa Ana Boulevard, from Bristol Street to Baker Street

Storm drain installation will require a temporary closure of the northbound lane on Raitt Street from 1st Street to Santa Ana Boulevard. Both northbound and southbound traffic on Raitt Street will be shifted to the southbound lane. Temporary parking restrictions on Raitt Street will also be in place from 1st Street to Santa Ana Boulevard.

Sewer installation and water pipeline work will generally move west to east and will require temporary detours as well as lane and parking closures on W. Santa Ana Boulevard. If visiting residents or businesses in the work zone, please ask crews to assist you in accessing the driveways. They can pull plates over the work area to facilitate entering and exiting.

SEGMENT 3 CONSTRUCTION ACTIVITIES

Ross St. to Mortimer St.

Over the next two weeks, Segment 3 construction activities will include:

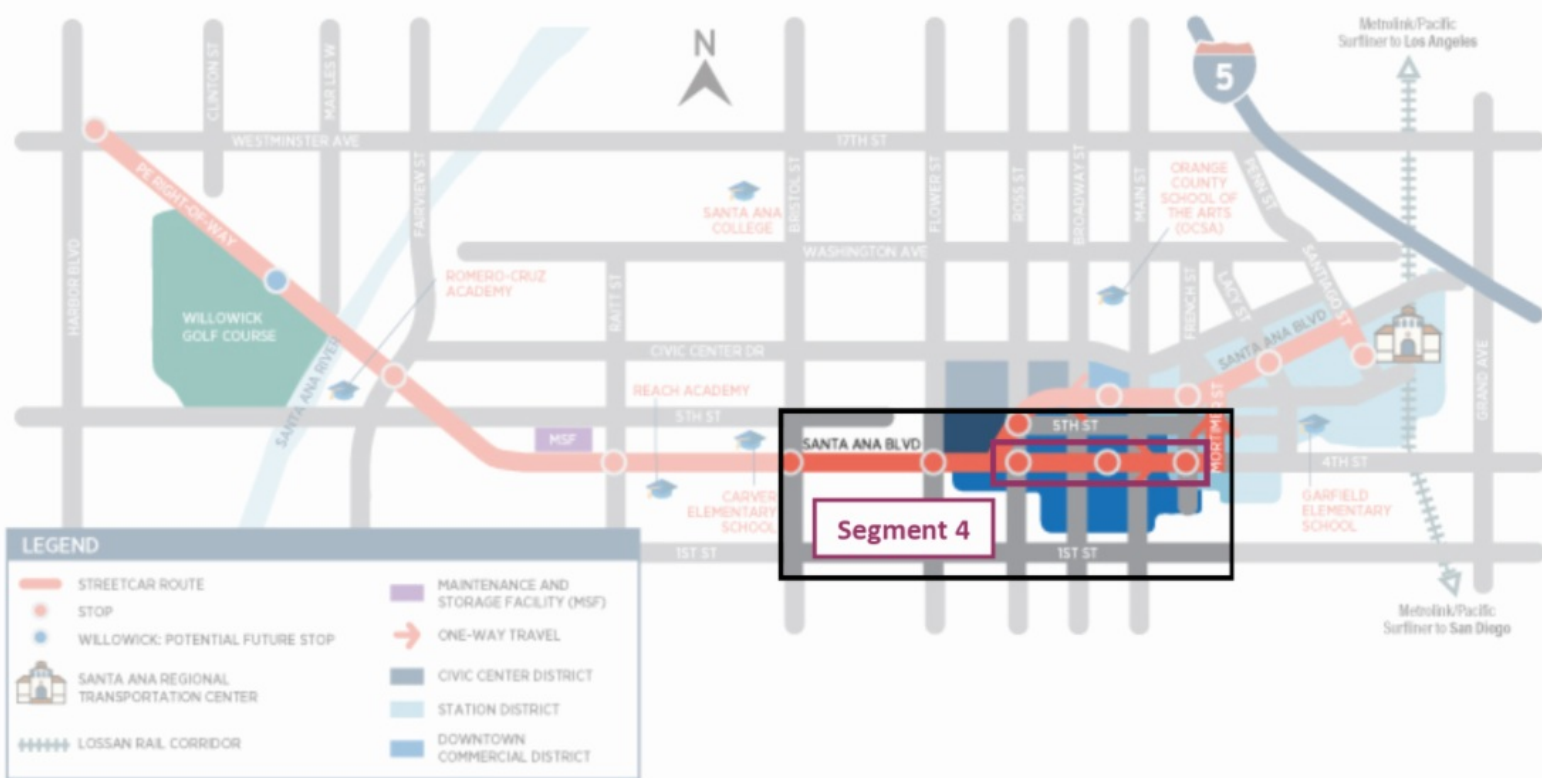

- Sanitary Sewer work within Sasscer Park
- Water pipeline work at the intersection of W. Santa Ana Boulevard and Ross Street
- Potholing for storm drain installation at the intersection of W. Santa Ana Boulevard and Ross Street
- Water pipeline testing at the intersection of W. Santa Ana Boulevard and Broadway
- Storm drain installation on Broadway, from 3rd Street to W. Santa Ana Boulevard
- Storm drain installation on Main Street, from 3rd Street to W. Santa Ana Boulevard
- Water pipeline work and testing at the intersection of W. Santa Ana Boulevard and Bush Street
- Potholing for storm drain installation at the intersection of 6th Street and Mortimer Street

SEGMENT 4 CONSTRUCTION ACTIVITIES

Ross St. to Mortimer St.

No construction activities are anticipated in Segment 4 over the next two weeks.

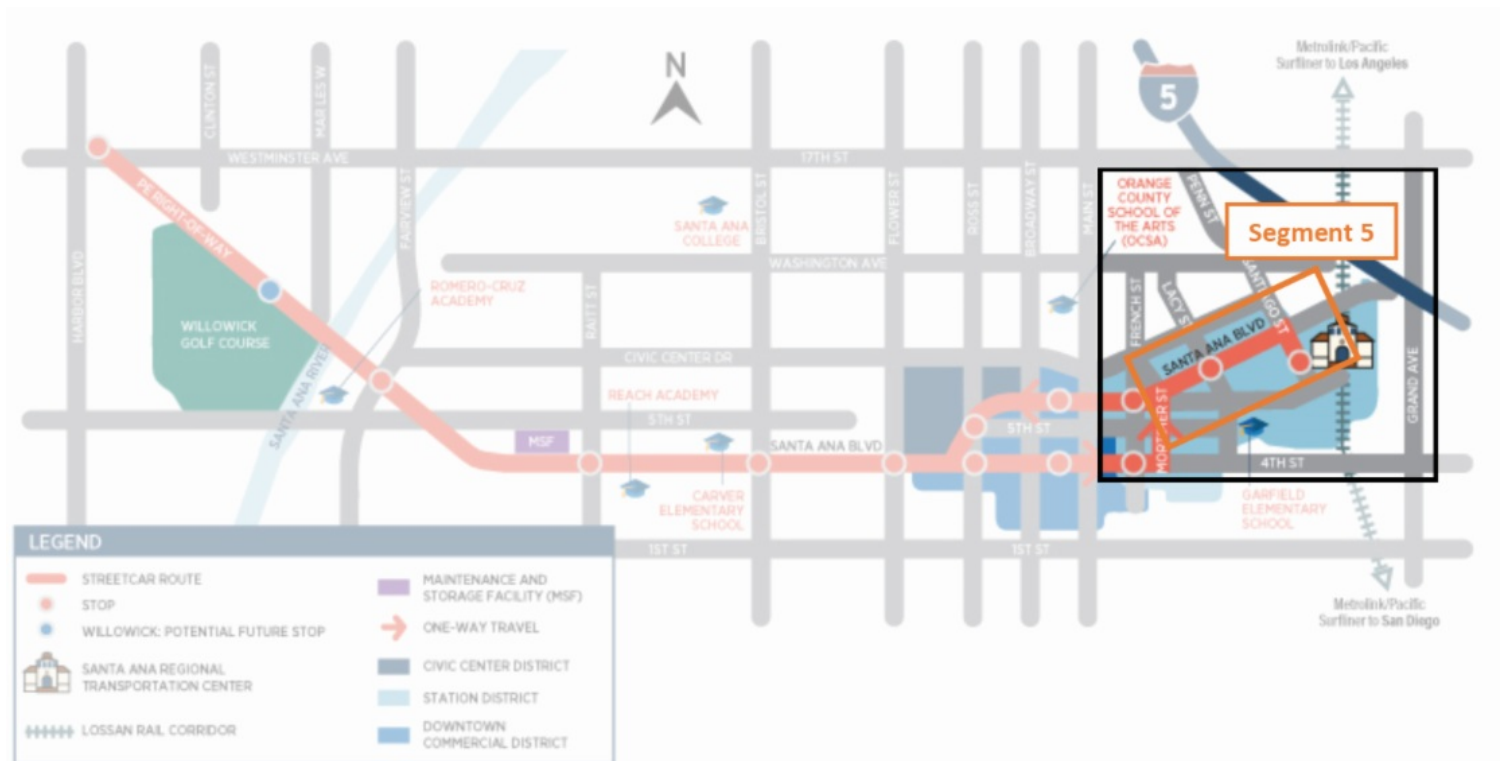

SEGMENT 5 CONSTRUCTION ACTIVITIES

Mortimer St. to SARTC

Over the next two weeks, Segment 5 construction activities will include:

- Sanitary sewer installation from Mortimer Street to Santiago Street

Sewer installation work will generally move west to east and will require temporary detours as well as lane and parking closures on W. Santa Ana Boulevard. If visiting residents or businesses in the work zone, please ask crews to assist you in accessing the driveways. They can pull plates over the work area to facilitate entering and exiting.

Safety of the crews and community is our top priority. Please slow down near work sites and follow

About the Project

OC Streetcar is the first modern streetcar project to be built in Orange County and will serve Santa Ana's historic and thriving downtown, which includes federal, state and local courthouses, government offices, colleges, an artists' village and a thriving restaurant scene. Expected to begin carrying passengers in 2022, it will operate along a 4.15-mile route that connects the Santa Ana Regional Transportation Center (SARTC) and a new transit hub at Harbor Boulevard and Westminster Avenue in Garden Grove.
