

Construction News

Week of February 17, 2020

Two-Hour Free Parking

Since December 1, the first two hours of parking are free in parking structures in Downtown Santa Ana.

Water Pipeline Work

Crews continue to perform water pipeline work and storm drain installation work along the project route, which include excavation, trenching, installation of water pipelines, and road work and restoration. Water pipeline and storm drain installation work requires temporary parking and lane restrictions.

Traffic Light/Pole Replacement

Crews will work to install replacement traffic signal foundations, with potholing activities continuing along the project route. Construction activities will require temporary lane closures and parking restrictions.

Westminster Avenue Nightly Closures

Crews will be working during the night to continue construction of the Westminster Avenue Bridge. To accommodate this work, nightly full closures of Westminster Avenue, from Harbor Boulevard to Enterprise Drive, will be in effect from Tuesday, February 18, through Wednesday, February 19, and from Sunday, February 23, through Thursday, February 27, 7 p.m. to 5:30 a.m. each night. Detour routes will be in place. Please follow detour signage and plan for possible delays.

Access will be maintained for all residents and businesses.

For specific work activities in your area, see the segment overviews and maps below. All scheduled activities are weather permitting and are subject to change.

SEGMENT 1 CONSTRUCTION ACTIVITIES

Intersection of Harbor Blvd. and Westminster Ave. to Raitt St.

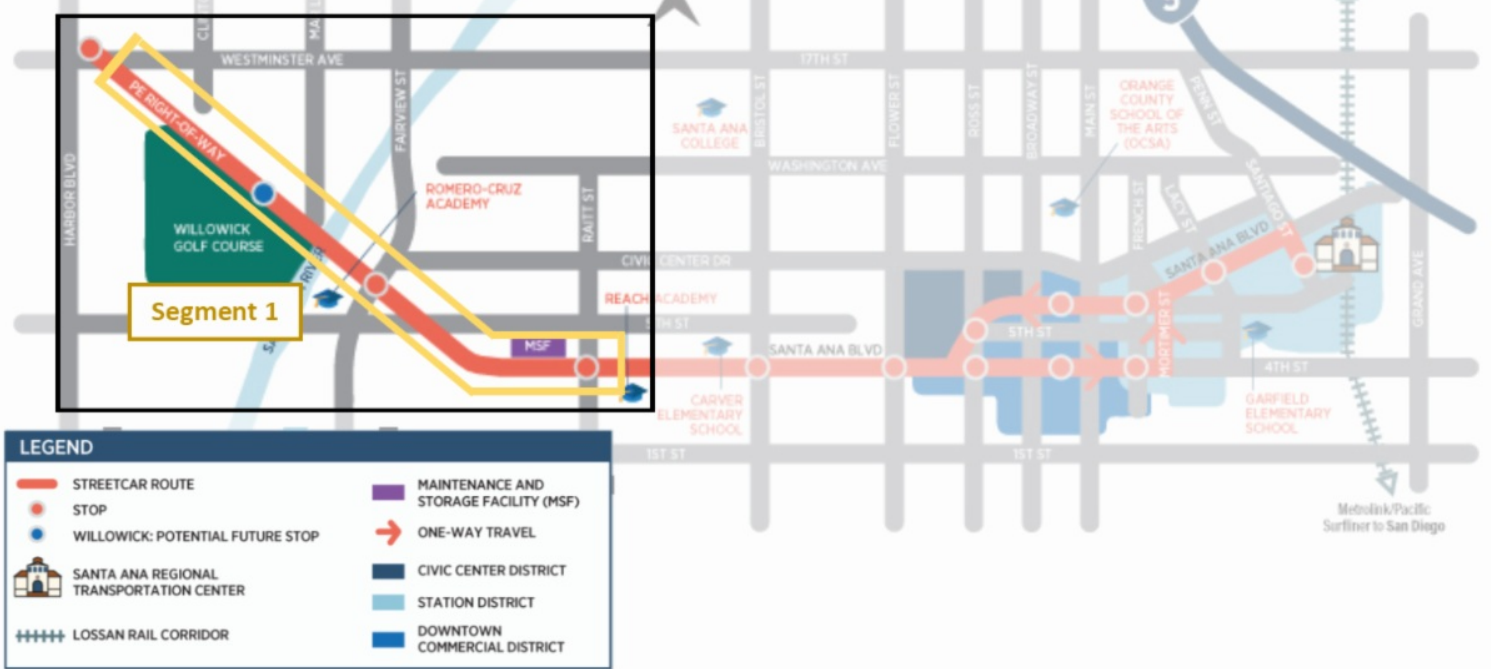

Over the next two weeks, Segment 1 construction activities will include:

- Preliminary work at the site of the future Maintenance Storage Facility
- Work within Pacific Electric Right-of-Way (PEROW)
- Santa Ana River Bridge construction
- Westminster Avenue Bridge construction
- Water pipeline installation and testing at the PEROW and Fairview Street
- Potholing for traffic light/pole replacement at the PEROW on Fairview Street and on 5th Street

Nightly full closures of Westminster Avenue, from Harbor Boulevard to Enterprise Drive, will be in effect 7 p.m. to 5:30 a.m. each night starting Tuesday, February 18, through Wednesday, February 19, and from Sunday, February 23, through Thursday, February 27.

Water pipeline work will generally move west to east and will require temporary detours as well as lane and parking closures on Fairview Street.

Potholing for traffic signal replacement will require temporary lane closures and parking restrictions on Fairview Street and on 5th Street.

SEGMENT 2 CONSTRUCTION ACTIVITIES

Raitt St. to Parton St.

Over the next two weeks, Segment 2 construction activities will include:

- Water pipeline work at the intersection of W. Santa Ana Boulevard and Bristol Street
- Water pipeline installation and testing on W. Santa Ana Boulevard, from Shelton Street to Parton Street
- Potholing for traffic light/pole replacement at the intersection of W. Santa Ana Boulevard and Flower Street

Water pipeline work will generally move west to east and will require temporary detours as well as lane and parking closures on W. Santa Ana Boulevard. If visiting residents or businesses in the work zone, please ask crews to assist you in accessing the driveways. They can pull plates over the work area to facilitate entering and exiting.

Potholing for traffic signal replacement will require temporary lane closures and parking restrictions on W. Santa Ana Boulevard.

SEGMENT 3 CONSTRUCTION ACTIVITIES

Ross St. to Mortimer St.

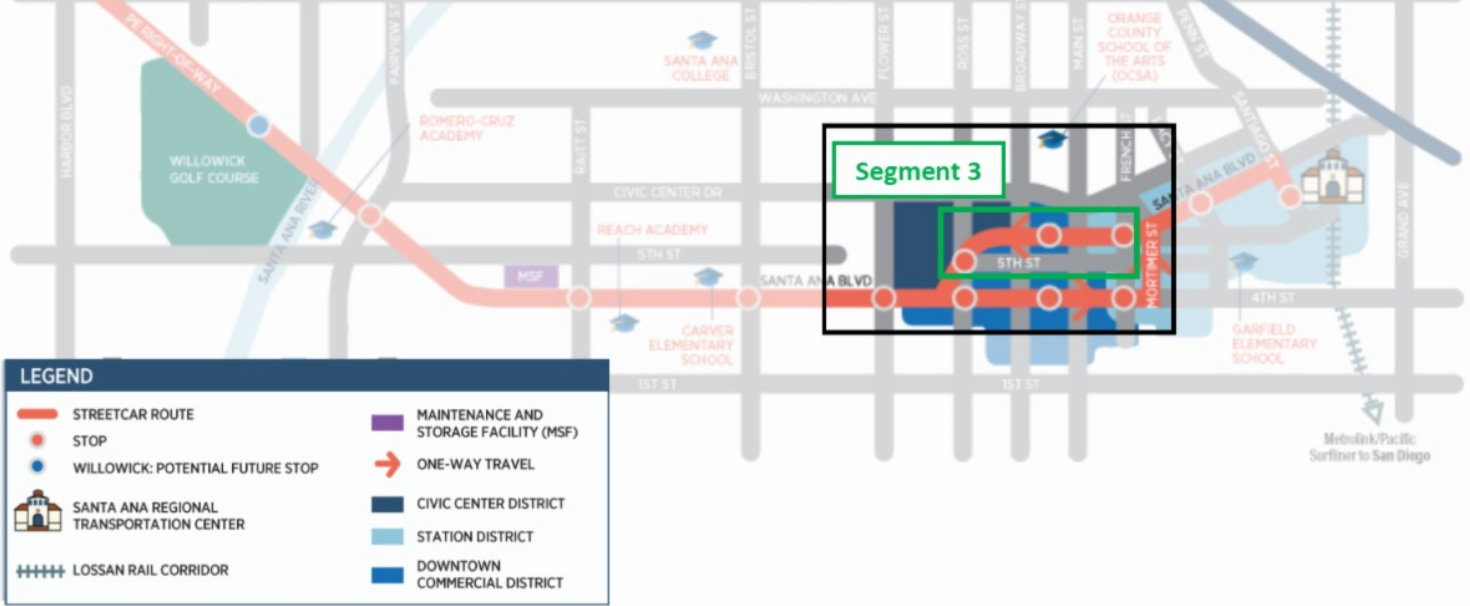

Over the next two weeks, Segment 3 construction activities will include:

- Water pipeline work and testing in Sasscer Park
- Water pipeline testing at the intersection of W. Santa Ana Boulevard and Ross Street
- Water pipeline installation and testing at the intersection of W. Santa Ana Boulevard and Main Street
- Potholing for storm drain installation on Main Street, from 3rd Street to W. Santa Ana Boulevard
- Storm drain installation at the intersection of W. Santa Ana Boulevard and Sycamore Street
- Storm drain installation at the intersection of 6th Street and Mortimer Street

Water pipeline work will generally move west to east and will require temporary detours as well as lane and parking closures on W. Santa Ana Boulevard.

Storm drain installation work will require temporary detours as well as lane and parking closures.

SEGMENT 4 CONSTRUCTION ACTIVITIES

Ross St. to Mortimer St.

Over the next two weeks, Segment 4 construction activities will include:

- Water pipeline installation and testing at the intersection of 4th Street and Spurgeon Street
- Potholing for storm drain installation at the intersection of 4th Street and Main Street

Water pipeline work will generally move west to east and will require temporary detours as well as lane and parking closures on 4th Street.

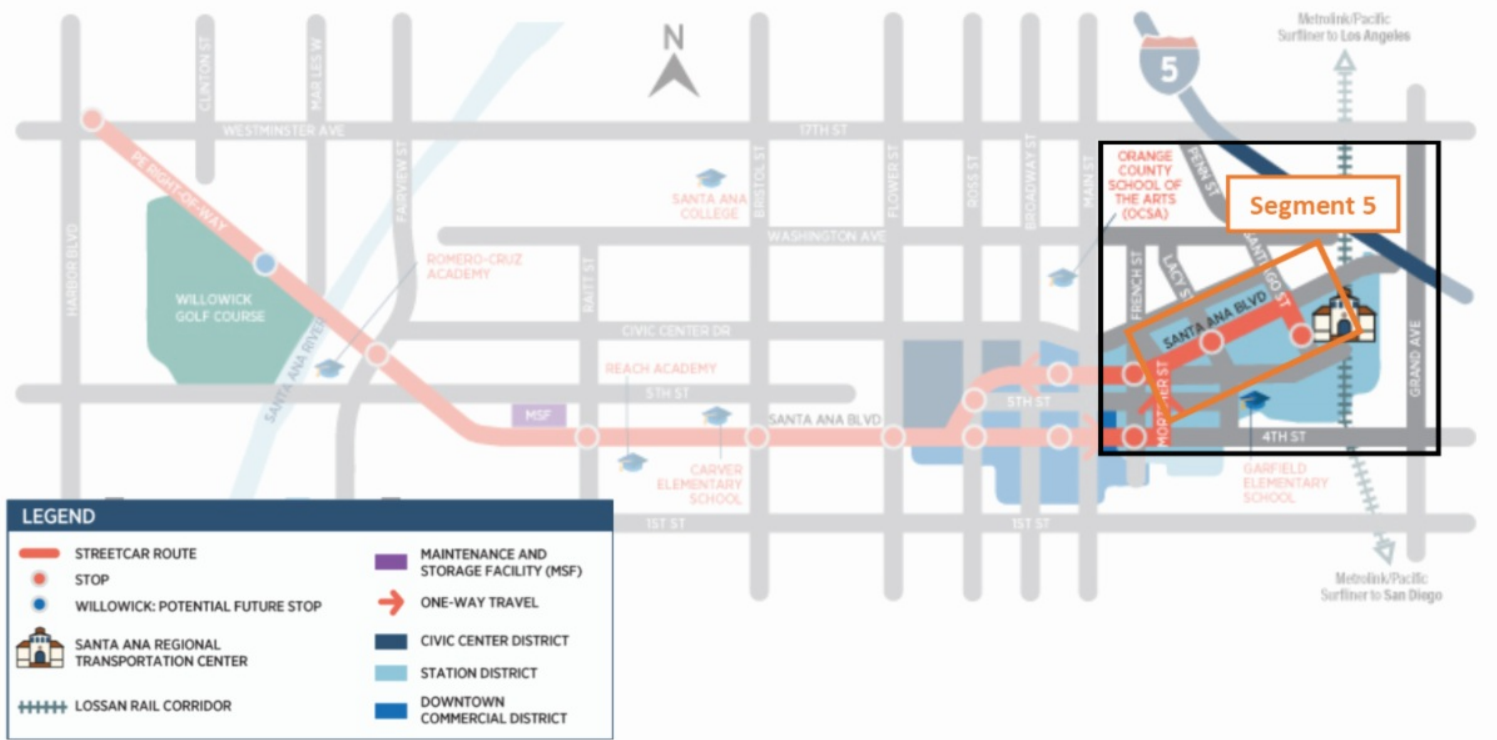

Storm drain installation work will require temporary detours as well as lane and parking closures.

SEGMENT 5 CONSTRUCTION ACTIVITIES

Mortimer St. to SARTC

No construction activities are anticipated in Segment 5 over the next two weeks.

Safety of the crews and community is our top priority. Please slow down near work sites and follow pedestrian instructions.

About the Project

OC Streetcar is the first modern streetcar project to be built in Orange County and will serve Santa Ana's historic and thriving downtown, which includes federal, state and local courthouses, government offices, colleges, an artists' village and a thriving restaurant scene. Expected to begin carrying passengers in 2022, it will operate along a 4.15-mile route that connects the Santa Ana Regional Transportation Center (SARTC) and a new transit hub at Harbor Boulevard and Westminister Avenue in Garden Grove.
