We have performed the procedures enumerated below, which were agreed to by the Orange County Transportation Authority (OCTA) solely to assist you with respect to your evaluation of selected internal controls within the Treasury Department for the year ended June 30, 2013. OCTA's management is responsible for the internal controls within the Treasury Department. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of OCTA. Consequently, we make no representation regarding the sufficiency of the procedures described below, either for the purpose for which this report has been requested, or for any other purpose.
