

IMPROVEMENT PROJECT

SR-57 to SR-55

ACTIVITY BOOK *For Kids*

SR-91(SR-57 TO SR-55) IMPROVEMENT PROJECT

A NOTE FOR THE GROWN UP:

The Orange County Transportation Authority (OCTA) is working with the California Department of Transportation (Caltrans) to improve State Route 91 (SR-91) between State Route 57 (SR-57) and State Route 55 (SR-55).

WHAT ARE THE IMPROVEMENTS?

This project will:

- Improve mobility throughout the corridor
- Reduce weaving and merging between ramps
- Improve on- and off-ramps, sidewalks and bike lanes at the Kraemer Boulevard/Glassell Street, Tustin Avenue and Lakeview Avenue interchanges

HOW WILL THIS AFFECT ME?

This project will impact SR-91 and local streets in the surrounding cities of Anaheim, Orange, Placentia, Fullerton and Yorba Linda. Improvements to the freeway and nearby bridges may require detours and cause traffic delays. Motorists and residents are encouraged to sign up for construction alerts on our website, octa.net/91improvements, to stay informed about relevant closures and detours. The public may experience noise, vibration, dust, and lighting for nighttime construction operations.
