

February 20, 2010

Dear Orange County Line and Inland Empire-Orange County Line Riders:

Metrolink and the Orange County Transportation Authority (OCTA) have begun work on a new countywide effort to expand rail service and to enhance rail safety in Orange County.

Please be advised that there will be adjustments to Metrolink service on

**Saturday, February 27, 2010 and
Sunday, February 28, 2010**

due to track construction for the expansion of train service in Orange County. The work will prohibit trains from operating south of the Irvine Metrolink Station.

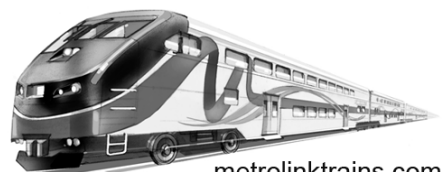

Inland Empire-Orange County Line:

All Inland Empire-Orange County Line Saturday and Sunday service (trains 859 and 860) will be canceled on those days.

Orange County Line:

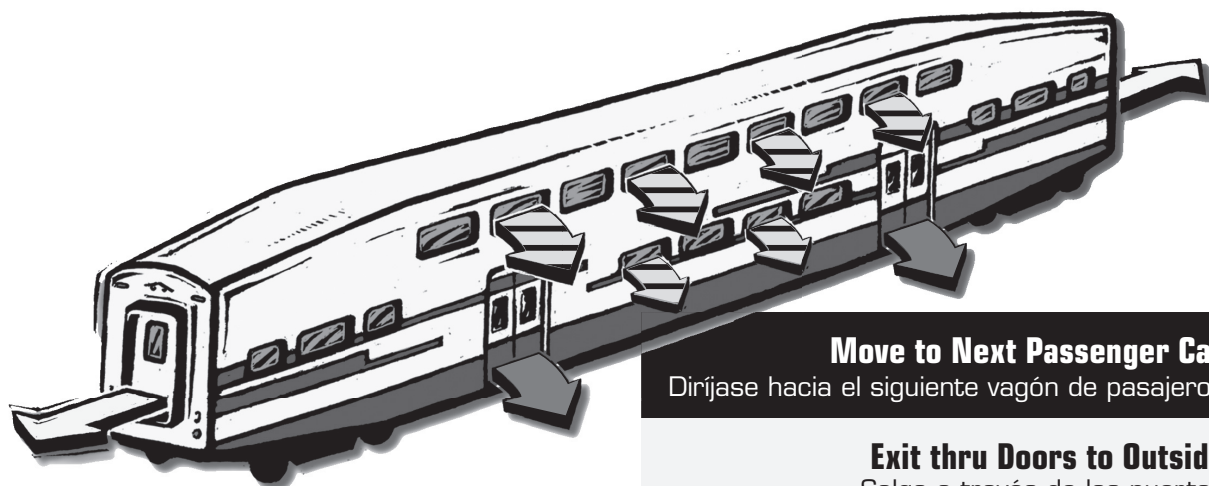

Orange County Line Saturday and Sunday service will not operate south of Irvine Station. Trains 661 and 663 will originate at Irvine. Trains 662 and 664 will terminate at Irvine. No alternate transportation will be provided to or from the stations south of Irvine. Amtrak will also have limited train service between Irvine and Los Angeles Union Station.

We apologize for any inconvenience this may cause. Thank you for your cooperation and understanding.

Passenger Emergency Evacuation Instructions

Evacuación de Emergencia
Instrucciones para Pasajeros

Move to Next Passenger Car
Diríjase hacia el siguiente vagón de pasajeros

Exit thru Doors to Outside
Salga a través de las puertas

Exit thru Emergency Windows
Salga a través de las ventanas de emergencia

To Open Door Para abrir la puerta

1) Break plastic cover
to access red ring
Rompa la cubierta
plástica que protege
a la argolla roja

2) Pull red ring down
to release door
Tire de la argolla hacia
abajo para desbloquear
la puerta

3) Grip rubber padding
between doors and slide
door open

Inserte los dedos entre
los bordes de goma de las
puertas y deslice la puerta
hacia un lado

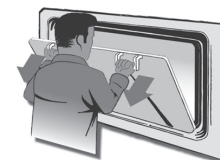

4) Look out doorway
for obstacles,
then exit with caution
Asegúrese de que no haya
obstáculos en el exterior
y salga con precaución

Window Removal Para retirar la ventana

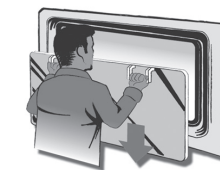

1) Pull red handles using
both hands to remove strip

Usando ambas manos,
empuje las manijas rojas
para remover la moldura
de goma negra

2) Pull window handle(s)
using both hands

Empuje la(s) manija(s) de la
ventana con ambas manos

3) Carefully remove
window and place it out of
the way (the window weighs
72 pounds)

Quite la ventana con cuidado y
colóquela en un lugar donde no estorbe
La ventana pesa 72 libras

In the event of an emergency: Listen for instructions on the public address system. Follow all directions! The conductor will make announcements as information becomes available. Please help fellow passengers in need of assistance. Leave wheelchairs, bicycles and other large items on board the train.

En caso de emergencia: Escuche las instrucciones en el sistema de voiceo público. ¡Siga las instrucciones! El conductor hará anuncios conforme vaya recibiendo la información. Por favor, ayude a los pasajeros que lo necesiten. Deje en el tren sillas de ruedas, bicicletas o cualquier otro objeto voluminoso.
