

I-5/Main Street Carpool Ramp and Bridge Demolition FAQ

Why are the I-5/Main Street carpool ramp and bridge being removed?

The carpool ramp and bridge must be removed to make room for the additional carpool lanes.

When will the demolition begin and what closures should I expect?

The segment of the bridge nearest to Main Street is set for demolition Friday night, Aug. 2, and the remainder of the bridge is set for demolition Saturday night, Aug. 3. Detour signs will be in place to guide motorists around the closures. A full list of closures and detours is available on the project’s interactive map at www.octa.net/i5centralmap. However, major closures include:

NB I-5 Main Street On-Ramp & Broadway Off-Ramp: Full closures	10 p.m. Friday to 10 a.m. Sunday (36 hours)	

Will noise levels be monitored?

Yes. Caltrans standards will be enforced. Residents may hear back-up alarms and noise from other construction activities. The alarms are required for employee safety purposes by state regulation on all construction equipment in use. The sound level must be audible for 200 feet and distinguishable from the surrounding noise.

What measures will be taken for dust control?

Water trucks will be used prior to and during demolition to control the dust.
